The Green River Baptist Association dedicates the Annual of its One Hundred and Forty-sixth Session to the Reverend L. R. Brock in recognition of his dedicated leadership as Director of Missions and in grateful appreciation of his loving and unselfish services as a friend and a counselor to its churches and people.

Reverend Brock is a native of Mt. Olive, North Carolina. He is a graduate of Mars Hill College and Southern Baptist Theological Seminary.

Prior to coming to the Green River Association, Reverend Brock and his wife, Barbara, served for twenty-five years as missionaries to Brazil.

Reverend Brock served our Association from November 1979 until his retirement in February 1986.

chairman of the board of trustees shall work closely with the Director of Missions of the association.

2. Policies will be formulated by the trustees of the corporation and be subject to review and approval of the Executive Committee and/or the association in its annual session.

Others desiring to present resolutions will likewise present them in writing on the first day. They will be referred to the Resolutions Committee for study and consultation. The Resolutions Committee will bring these resolutions back to the body the second day with their recommendations. 1. Three sources of contributions to be made on behalf of an individual registered in this particular plan. These three sources are as follows:
   1. The individual has the privilege to contribute up to 5% of his salary to this particular plan per year.

Reports

ANNUITY BOARD

The Annuity Board of the Southern Baptist Convention continues to offer medical, disability, life insurance and retirement benefits for the churches. In an effort to be at the forefront of these services to the churches, the Annuity Board is constantly reviewing these. A major change in the Annuity Board retirement program will become effective January 1, 1988. All retirement contributions prior to this date will continue to accumulate earnings. The new program will allow participation from three sources for a participant -- first, the participant; second, the church; third, Baptist State Convention. It will be suggested that the participant contribute 5% of salary and the churches 10% with the State Convention adding $17.50. Please note: THE RETIREMENT PROGRAM THAT MANY CHURCHES HAVE USED -- $33.34 per month -- WILL BE DISCONTINUED after January 1, 1988. In order to participate in Expanded Church Annuity Plan, as it is called, a church must vote to do so before 1-1-88. Next April there will be a conference in our Association sponsored by the State Convention giving more explanation. There is some information at the Associational office on this Annuity Plan now.

At the time this report was prepared, 18 pastors, one minister of music, three staff members, and one D.O.M. from our association are participating in the Annuity Board. If your church is not offering the benefits of the Annuity Board to your pastor and staff, give it consideration. If you are, be sure that you are offering all that is available as an expression of love and care for your pastor and staff.

Respectfully submitted,
C. C. Nanney

BAPTIST CHILDREN'S HOMES' ANNUAL REPORT TO THE ASSOCIATION

The Centennial Year for the Baptist Children's Homes of North Carolina was concluded with an exciting, informative, and inspiring day on November 11, 1985. The exciting words of Dr. Blackwell, in behalf of our staff, children and trustees, renewed the commitment to continue fulfilling the mission and broad purpose of this child care ministry. Those words still ring in the ears of those present for this occasion.

The mission is to care for dependent, neglected, homeless and troubled children; unwed mothers and their children; and the rendering of related services to the relatives. Services are directed toward the preservation, conservation, and rehabilitation of families to avoid, wherever possible, the placement of the child away from home.

In our one hundred and first year of child care, more than 1,500 children were served. From this group of children/youth, many had no religious affiliation when admitted to our care. Our pastors baptized more than twenty-five youth into the fellowship of the local church.

The New Homes & Hospital Offering, approved by the Convention last November, claimed the attention of our staff during first five months of 1986. The offering was received in May with fifty percent of that which was received going to the Children's Homes, twenty-five percent to the Hospital and twenty-five percent to the Retirement Homes. The goal was $1.6 million. We encourage you to help promote the new offering in your church during May 1987.

Update/Western Area:

The happy news from the west is that construction has begun on the Moody Farm cottage, located in the Iotla Valley of Macon County.

Mary Lewis and Gary Bruin, experienced child care workers on the Mills Home staff for nine years, have accepted the responsibility of giving leadership as directors of the Moody Farm Ministries.

Special appreciation is expressed to our Western Area child care and social workers who serve so faithfully at our Maternity Home in Asheville, the Thermal Belt Youth Shelter in Forest City, and the Broyhill Home in Clyde/Waynesville. These facilities have operated at near capacity throughout the year. The children served have mostly been those who call for extra measures of strength, wisdom and love. The words, "Care Finds a Way" truly apply to these wonderful servants of our Lord.

N.C. BAPTIST FOUNDATION, INC. SERVES BAPTIST CHURCHES AND INDIVIDUALS

The purpose and objective of the Baptist Foundation has been, from the date of its incorporation and by the terms of its charter, to assist individual Baptists to find ways of continuing their support of all Baptist causes--

institutions, agencies, mission causes -- with estate and deferred gifts. As a result, trust funds are now administered which benefit local churches, associations, specific mission objects and offerings, and every agency and school and institution supported by Baptists.

An indirect, but profound benefit to the local church has been the enhancement of individual stewardship growth and commitment. In nearly every instance, the individual who elects to commit to Kingdom use a portion of his estate assets, is during his lifetime a more committed steward. He enjoys his giving, and this happy, conscious stewardship dedication must be counted as profit for the church.

The Foundation seeks to inform Baptist people of: (1) Their responsibility as stewards to make provisions for the future use of their resources; (2) The critical need experienced by all Baptist causes for endowment support -- the ongoing, assured support of those who support them now; (3) Ways by which these realities may be met and accomplished; (4) Counsel in wise decisions for endowing **any** Baptist cause -- for instance, we may discourage a trust for a cemetery fund if we know the church already receives more funds than are needed to maintain the cemetery!

Specifically, the local church may be benefitted by:

1. Encourage members to name local church in their wills. A percent of the estate is usually to be preferred, rather than a dollar amount.
2. The church may receive real estate in a Life estate agreement. The individual deeds to the church certain property, or a portion of such property, maintaining all rights and responsibilities to it for life or for a designated period, and then the property becomes that of the church.
3. Appreciated property and securities, "E" bonds, church bonds, bank shares, and nearly any property of value can be transferred into a trust which can benefit the individual and the church -- now or at a future date.
4. The Foundation assists churches in establishing their own endowment or "Foundation" committees, then works with the committee to promote estate stewardship among the people. The Foundation can -- and does -- serve as fiscal agent, managing the memorial funds, etc. received as a result of church committee's efforts, and then distributes the income back to the church or other designated beneficiaries.
5. Local churches are now investing special funds which they hold for some future cause with the Foundation for loans to new churches, to associations to purchase property for new churches, etc. These may be long-term or short-term loans, and each is handled on an individual basis. The local church receives a fair return on its funds while enjoying the knowledge they have made those funds available to a struggling congregation who is engaged in the same "calling" as they -- preaching the Gospel of Jesus Christ.
6. Local churches, or specific programs of local churches, may be named beneficiary and owner of insurance policies, or the church may be named co-beneficiary, secondary beneficiary, remainder beneficiary, residual beneficiary, or even dividends may be assigned to the church. Tax consequences may accrue to the donor in each case.
7. Churches now receive trust income from individual trusts administered by the Foundation for:
   - cemetery maintenance

- help pay current building debt
- for future construction of activities building
- for future construction of sanctuary
- for capital improvements
- for senior adult ministry
- for youth summer mission programs
- for homebound and tape ministry
- for benevolent committee which meets local benevolent needs
- sanctuary flowers
- for its outreach in missions, special offerings, Children's Homes
- for specific items of general grounds and building maintenance
- for its contributions through Cooperative Program
- for scholarship grants and loans

In summary, every cause the church promotes and supports can be endowed for perpetual and "forever" support. The Foundation's role is to help the church, church members, and congregations find the best ways to do so.

Earl Moseley, director

BAPTIST HOSPITAL

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states, and the District of Columbia. Eight patients came from outside the United States. An additional 252,043 amulatory patients were seen in the outpatient clinics and the emergency department.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the tertiary health care they needed. For example, Baptist Hospital surgeons successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40% of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of 9 young people who drank potasium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal cords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain, and recovery time for many patients. Most patients can be discharged the day after treatment and can return to work within a week after therapy.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one hospital to another. The helicopter not only provides faster transportation but is equipped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton, and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville, and Rockingham. (The Raleigh Center has become independent.) These centers, together with the one in Winston-Salem, provided 24,553 hours of counseling during the past year. Chaplains in the hospital made 56,460 visits with patients, families, and employees. The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities, and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave $566,307 through the Cooperative Program and $374,238 through the North Carolina Missions Offering. These gifts make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

Harold Beam

BAPTIST RETIREMENT HOMES

In recognition of the increased proportion of adults now 65 or older, the Baptist Retirement Homes of N.C., Inc., has sought to create a broader awareness of its services across the state. Implementing state-of-the-art communication techniques through use of the **Biblical Recorder**, local newspapers, and direct contacts, the Homes is effectively making itself known to greater numbers of Senior Adults and to a concerned and responsive denominational community.

The leadership of the Baptist Retirement Homes is addressing major changes which suggest a need for an adjustment of services. The sheer size of the Senior Adult population in the next decade is expected to require a significant expansion of existing services. Already consideration is being given to the construction of Continuing Care Communities in Asheville and Charlotte and to the renovation of the campus in Winston-Salem.

With extended longevity, the Baptist Retirement Homes anticipates ministering to Senior Adults who will live longer and healthier lives. More choices need to be available to these individuals as they experience added years of activity. Planning has begun to move beyond the standard services now available to consider additional possibilities such as home delivery of health services.

While the past year has brought a forward look at the direction of retirement care, attention has also been directed toward improvement of existing services. The following facts and figures highlight the achievements of the Baptist Retirement Homes from August, 1985, through June, 1986:

- Sound financial mangement again eliminated the need to increase residential fees.

- Over $900,000 of benevolent care was provided to residents.
- Of a projected 3.4 million dollar budget, the Cooperative Program and Homes & Hospital Offering provided $785,000.
- Over 40 new residents were admitted to the Homes and Nursing Care.
- Construction and renovation of seven new housing units was completed in Willow Cove on the Winston-Salem campus.
- Bill Stillerman became the new President of the Homes.
- Jack Hoyle was appointed Vice-President in charge of Administration.
- Carolyn Bunting was appointed Assistant to the President for Admissions.
- Jim Saul was appointed Assistant to the President for Personnel.
- Don Peiffer was appointed Assistant to the President for Business Affairs.
- A video tape, "Not An Ordinary Person," produced by the Homes in 1985, won the M. E. Dodd Award for Video and Film Productions.
- Residential and apartment living remain available. Requests should be made through the Assistant to the President for Admissions.

Under the focused and energetic leadership of Bill Stillerman, President of the Homes since November, 1985, the fine tradition initiated by past Presidents will continue. Yet, the Trustees and Administrative Staff of the Baptist Retirement Homes believe the participation of North Carolina Baptists to be critical for the successful growth of the Homes. By remaining sensitive to retirement care issues and by staying informed and supportive of services offered by the Retirement Homes, North Carolina Baptists can help assure a system of services adequate to the growing demand.

CAMPUS MINISTRIES

North Carolina Baptists have some form of ministry on forty-seven college or university campuses across the state. A growing number of churches are also finding creative and significant ways to minister with students.

The Convention employs eight persons with primary responsibility for ministry in a specific university setting. We join with Baptist colleges in funding campus ministries in our seven schools, and we join other Christian groups in providing full-time ministers on two other campuses. In each of these settings our ministers work with student groups such as BSU, cooperate with university personnel in service to the institution, offer help to faculty and staff in personal and professional concerns and seek for ways of helping people on the campus work more closely with area churches.

During the 1985-86 school year students involved in Baptist Student Unions and on Baptist campuses pledged and raised about $50,000 for missions and ministry all around the world. A total of 150 collegians were trained in a week-long orientation period or are working under the direction of some department within the Baptist State Convention. New programs included semester service in Associational and related ministries for a dozen students, a summer internship in ministry with the Baptist Joint Committee, and the sponsoring of a resource team of three students trained and utilized by youth ministers and Associational leaders across the state.

The first "graduates" of our unique Campus Ministry Associate in Missions and Ministry program in Charlotte, Joy and Chris Gamble, were appointed and are serving as student evangelists in Taiwan under our Foreign Mission Board. Mark and Stacey Pennington are the 1985-87 ministers in this program, which seeks to serve in Charlotte and prepare persons for careers in student ministry on the mission field.

Work with volunteer ministries in several locations is continuing to develop as lay people, church staff members, college faculty persons and Associational staff lead out in the exciting ministry. Convention staff provides consultation and encouragement. This spring, five student leaders from these BSUs joined 13 others in a week of special training at the Sunday School Board. North Carolina's delegation of 18 was the largest (and, we feel, outstanding) as students from across the nation were involved in this leadership program.

Special conferences for International students, campus evangelism training and Black Christian collegians were offered during the school year. Staff, volunteers and student leaders planned and guided these events. A conference for high school seniors, a leadership conference and a fall Baptist Student Convention involved over a thousand young people in Christian growth and challenge to stewardship of life.

Teams of students from BSUs and Baptist campuses all across the state led worship, planned youth revivals, sang or ministered through puppetry or clowning in hundreds of North Carolina churches. Students, under the leadership of ministers employed by your Cooperative Program dollars are growing and sharing their faith in many ways because you care enough to provide Baptist Campus Ministry! On behalf of these who, in God's power, are our future, thank you!

NORTH CAROLINA BAPTIST COLLEGE REPORT - 1986

CAMPBELL	CHOWAN	GARDNER-WEBB	MARS HILL
1887	1848	1905	1856

MEREDITH	WAKE FOREST	WINGATE
1891	1834	1895

North Carolina is a recognized leader in Christian higher education. Baptists have established and supported seven colleges for a cumulative total of 786 years. Leaders who formed the Baptist State Convention in 1830 did so with founding a college in mind. Baptists and their colleges have grown up together in North Carolina. The histories of the Convention, the churches and the colleges are inseparably intertwined.

The "roll call" of colleges, and a brief mention of current items of interest and concern, are listed for the benefits of the associations:

Campbell: During 1986, there is a special observance of the centennial year, using as a theme "A Century of Vision and Service." The new School of Pharmacy will open in the fall, and a School of Education has been established for graduate studies. Programs are offered in Goldsboro, Rocky Mount, Raleigh, Fort Bragg, Sanford, and in Wales and Malaysia.

Chowan: Enjoys a national reputation as a two-year institution of high quality. President Bruce E. Whitaker was recently named as one of the 17 most effective chief college administrators in the nation. Chowan is engaged in a four million dollar campaign for additional student aid, scholarship assistance, and program support.

Gardner-Webb: On May 31, 1986, Dr. Craven E. Williams completed his tenure as president, begun in July, 1976. On June 1, Dr. M. Christopher

White, Vice President of Elon College, became the 10th president of Gardner-Webb. Included in its many educational programs are assistance for deaf and blind students who wish to earn a college degree.

Mars Hill: A comprehensive revision of the General Studies curriculum, to be implemented in the fall of 1987, includes statements of convictions by the faculty. Included in these are the centrality of Christian faith, morals and purposeful life, responsible citizenship, and the value of work. Scholarships to attract superior students continues to be a major emphasis.

Meredith: "Thorough instruction" and "culture made perfect through the religion of Jesus Christ" are central to the college mission. Extensive studies during 1986 resulted in a reaffirmation of Meredith's commitment to education for women in both undergraduate and graduate programs. Construction of the Gaddy-Hamrick Art Center was begun in June.

Wake Forest: Conversations continue between Convention leaders and university trustees to clarify the basis for a continuing relationship. Founded in 1834 by North Carolina Baptists, Wake Forest is acknowledged as a superior university among church-related schools in the nation.

Wingate: Looking toward its one hundredth anniversary in 1995, the college has entered a 10-year, 30 million dollar "Second Century: Vision for Excellence" campaign. Numerous building, renovation, and beautification projects are planned, in addition to library expansion, faculty support, and student financial aid.

THE BIBLICAL RECORDER

In a year that has been marked by tragedy, stress and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our ever growing and changing state. The **Biblical Recorder** is a vital part of that Baptist family and as the official newsjournal of the denomination, it has enjoyed a stable and wholesome year of ministry at the side of hundreds of thousands of our people.

Readership of the paper is high. Comments, letters and other communications with the **Recorder** indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains a more important ministry now than even then.

Tar Heel Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The minority status of Christians -- fewer persons in North Carolina are members of any church than are not -- and the rising spirit of secularism make our task more difficult but at the same time much more imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The **Recorder** welcomes its assignment in the task of sharing the Good News of Christ.

This year, we had a tremendous opportunity through the "Good News America, God Loves You" revivals and the paper was on the job, promoting and reporting on the crusades. As always, the **Recorder** will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Despite a tremendous increase ($96,000) during 1986, **subscription rates will not be raised for the fifth consecutive year.** Many of the other major state Baptist papers such as the **Recorder** have already found it necessary to raise their rates, but the directors of our paper have been working with the editor to find a way to avoid any increase so that our churches and individuals can continue to get the paper at the lowest possible cost.

The rates are: Church Budget Plan, $5.00 per subscription for every resident family; Club Plan (four or more), $6.00; and Individuals, $7.00. If your church does not have the Every Family Plan, special introductory offers are available. Please contact:

COOPERATIVE PROGRAM REPORT

The Cooperative Program has been recoginzed as our denomination's response to the command of Christ given in the Great Commission. It is a plan through which Christians join hands to support the missionary, education, and benevolent work in their state convention along with the work of the Southern Baptist Convention.

Witnessing of Christ to the whole world has been the Christian's task from the very beginning, but in 1976 the Southern Baptist Convention adopted the goal of telling the story of Jesus Christ to every person in the world by the year 2000. This awesome task is known as **Bold Mission Thrust.**

Green River Baptist Association has a good record of mission support throughout the year, but many church members have never experienced the satisfaction which comes from giving in a planned and systematic way. As the visions for Bold Missions Thrust begins to emerge, it appears that God is using the power of this dream to awaken His people from small rural churches as well as the large suburban congregations to become involved in a personal commitment program called **Planned Growth in Giving.** This is a plan which urges every church member to increase his or her giving by SOME percentage each year from now through the year 2000. The plan urges all churches to increase their gifts through the Cooperative Program by SOME percentage, along with an increase by the state conventions so that by A.D. 2000 or sooner the Southern Baptist Convention will seek to

allocate 75% of the SBC Cooperative Program Allocation Budget to home and foreign ministries.

Reports from our state convention indicate that 27 churches in the Green River Baptist Association have given $183,347.56 from October, 1985 - September 30, 1986. This figure shows a commendable increase of 14.8% over last year's figures during that period of time.

With the goals of Bold Mission Thrust laid out before us, centered on the New Testament mandate of Christ, my prayer is that each church and each church member of Green River Baptist Association will show a renewed commitment of stewardship in the coming year.

Rachel Nanney

DIRECTOR OF MISSIONS REPORT

Change: Modify, Transform, Alter, Vary. Webster's Dictionary gives all of the words to define the word "change." This certainly describes what our Association has experienced in this year as two major changes have occured.

Many of you have been by the new office since the moving in January. The comments I hear range from "this is what we have needed," "beats climbing all those stairs," "this is very nice," "I feel like we can move ahead as an Association." There were many who worked to bring about the renovation of the office. At the risk of missing some, I do want to mention Mr. Quenton Scoggins, Rev. Clifford Bradshaw, Rev. Steve Bolton, Rev. Earl Moseley, Mr. Parris Andrews, and Mr. Warren Andrews as being the core workers. There were many more who were able to help as well. The Association owes a great "Thank You" to these who did so much of the physical work. The committees that were elected worked hard as well in getting the office ready. I feel that it is not by accident that our office is on one of the busiest corners in Rutherfordton. Keep praying and dreaming of all the ways this facility can be used to the glory of God.

After serving us for seven years, Bill Brock made the decision to retire due to health. Bill had led us faithfully with, I think, his great contribution to us as an association is that he never let us lose the vision, the dream of relocating the office. This idea was talked about many times, some work done, committees elected. Yet whenever figures were given for purchasing land, that usually was as far as things went. But Bill wouldn't let the idea die. We will, as an association, be able to do so much more because of his persistence. As an association we pray and wish for Bill health that will allow him and Barbara many good and happy times in the years ahead.

I did not realize while helping with the office renovation last fall that a change for me and my family lay ahead. Being a DOM never appealed to me as a possible avenue of service to our Lord. But things you think you will never do or say you will never do, the Lord has ways of bringing them around so that in order to do His will you do what you never thought about doing. I'm enjoying the many different aspects of this work. Support of pastors has been good, I appreciate it. It is rewarding to help persons get resources they need for their church in order to teach a class, conduct a meeting, etc. Visiting in the churches has been a blessed experience. I've

appreciated the time pastors have given me to speak in the worship services. I feel this has helped people begin to identify with our Association in new ways. Many good ideas are shared with me by pastors and church leaders for use in the Association. I thank you for your prayers and words of encouragement.

There are two areas I want to challenge you to think about in this associational year.

One, I sense a need for us to grow stronger in our organization areas as an association. Church Training, Music, W.M.U., Sunday School, etc., all of the organizations can be of service to the church. My dream is that each will offer at least one event for the churches during the year. Also I hope organization leaders will participate in securing a Leadership Diploma in their area. This will help them be more prepare in their work.

Second is in the area of finances. I appreciate your support of the financial needs of the Association. I trust that in this new year that support is going to be stronger as our budget is reached. Another aspect related to finances relates to our debt. You have very graciously given to reduce the debt to where it stands just over $24,000.00. Here is my challenge: Cancel this debt by annual meeting next year! How? If each church will give a sacrificial gift, in addition to their giving to the budget of the Association, I believe it can be done. For some churches this would be $1,500.00; some $1,000.00; some $750.00; some $500.00; some $200, etc. Pray about this pastors, church members. This facility is yours to serve you. Let's see if we can't get it paid for this year.

I thank you for the opportunity to serve you as Director of Missions. Continue praying for me and our work together. If I can be of help, please give me a call.

Rev. Billy Honeycutt

EVANGELISM REPORT

God has blessed N. C. Baptists this year. The Good News America, God Loves You revivals were greater than anyone ever dreamed they could be. N. C. churches reported the largest number of people attending the revival services than could be remembered in any revival. The number of people saved during the revivals was the largest in many years. In addition to these benefits the Bible distribution served to locate many unsaved and unenlisted. Rededications were at an all time high in many revivals. To God be the glory great things He has done.

Of the nineteen churches in the Green River Baptist Association participating in the Good News Revivals, fifteen reported an average attendance for all services of 116, with eleven professions of faith and 206 rededications.

More churches than ever before are getting involved in CWT and Lay Evangelism Schools. The training of the laity to be involved in witnessing will continue to be a priority in N. C. Baptist evangelism.

This year in conjunction with Sunday School and Church Training we sponsored a conference on "Training Sunday School workers in Evangelism" prior to the Statewide Evangelism Conference. Dr. Harry Piland, Dr. and Mrs. Roy Edgemon, and Dr. Frank Crumpler led the

conference with support from Bill Cox and the choir from Calvary Baptist Church in Winston-Salem.

The 40th Statewide Evangelism Conference was held in Greensboro Coliseum, February 3-4. Dr. George Harris, Dr. Frank Crumpler, Dr. Leonard Sanderson, and Dr. Jim Henry brought the messages. Dr. Larry Black led the music for the conference assisted by Clyde Cranford and Jenny McLemore.

The 1987 Evangelism Conference will be held February 2-3 at Greensboro Coliseum. Dr. Perry Sanders, Dr. Jerry Vine, Dr. Tom Elliff, Dr. Jack Taylor, Dr. Robert Hamblin, Jr., and Dr. Bill Shaw will be the speakers. Larry McFadden will lead the music with Pat Long and Rick Setzer as instrumentalists.

Fifteen regional evangelism meetings were sponsored by the division. These meetings are held each year to inform and educate leadership about coming evangelism events and programs. The meetings begin at 10:00 a.m. and last until noon with lunch being served. This year's emphasis is "Target Group Evangelism."

We praise God that baptisms were up this year. Let us continue to work and witness that we may continue to see people come to know Him.

LIBRARY REPORT

In every person, young and old, there is a need to grow in the knowledge of a better way of life. There are questions and answers to seek after, and here is where a well organized library comes in.

I talked with someone in all thirty-one churches and found out that we now have seventeen libraries in our Green River Association.

I feel in every active progressive Baptist church there is a need to find a place and time for clean literature, so that we may win the lost to our Lord Jesus Christ.

Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. II Tim. 2:15.

MISSIONS DEVELOPMENT COUNCIL

The Missions Development Council, formerly known as the Missions Committee, is making progress in the restructuring program. There has been a continuation of the usual mission activities as reported in past years. Instead of reporting the activities, I have chosen to give information on the structure and purpose of the Missions Development Council. The Missions

Committee met in December 1985, to assign specific areas of responsibility to each member. A spring meeting was held for reports. Also; in May 1986, the newly elected director of the Council, Melvin Stallings, attended the Key Leadership Conference at Ridgecrest. On October 2, 1986, the council and Billy Honeycutt met at the associational building. Bobby Stafford, Director of Missions Development with the Baptist State Convention met with the council and presented an overall view of the Missions Development Program. Most of the report is taken from the **ASSOCIATIONAL MISSIONS DEVELOPMENT PROGRAM** (A third draft of the guidelines for the program).

There is more than a name change in the program. The Missions Development Program is responsible for developing and implementing the missions strategy which is a part of the overall work of the association. The Development program has five mission performance tasks. They are: (1) Call the churches to be on mission; (2) Provide resources and services to church leaders; (3) Train, develop and encourage church and associational workers; (4) Provide opportunities for working together in missions, ministry, growth and evangelism; (5) Establish and maintain appropriate communications and relationships with the community and the denomination.

The following are the qualifications needed for Mission Development Council members: 1. Missionary vision. With strong commitment, they should seek ways to carry the witness and ministry of the churches to all the people in the area. 2. Openness and flexibility. Council members must use creativity and ingenuity to meet new times with new methods. 3. Ability and willingness to be trained to gather facts and analyze data about community needs. A chief responsibility is to study the associational area to learn what missions work is needed. 4. Ability to work with people. 5. Ability and willingness to commit necessary time. The work requires much time and energy. 6. Exemplary church members. Council members should be faithful and dependable members of their churches.

The structure suggest that council members be nominated by the associational nominating committee and elected by the association when it elects its other program leaders and that they be elected annually but without limitations on succeeding terms, if it is mutually agreeable.

2. As director and member of the Missions Development Program, we are committing ourselves to learning, that we might more effectively get on with the mission assigned to us by the Christ. We have great association of people and churches. There are mission frontiers that need discovering. Through obedience to the Lord's Commission, we can find the needs about us and minister in His name.

Melvin Stallings, Director

PERSONNEL COMMITTEE

Under **Policy**, Article I, Section 3, item 9 will be changed to read as follows:

He shall be limited to two weeks interim supply work in a given church. The time may be extended under unusual circumstances by the

Personnel Committee. Anytime the Director of Missions is called as a preaching supply for a church in the absence of the pastor, the church should provide an honorarium as with any other supply preacher. When the Director of Missions serves the church as a representative of the Association, such as in special conference, missions emphasis, or programs with the church's pastor, the church is not expected to provide an honorarium.

RESORT AREA MISSIONS OF CHIMNEY ROCK

Wendy Bradshaw, from Alabama, and Taya Martley, from Iowa, were our summer missionaries for 1986 with Marti Cathey of the Piedmont Baptist Church again serving on a voluntary basis on Sunday mornings in one of our campgrounds.

Our missionaries and Marti led 30 Sunday morning campground worship services and 19 campfire fellowships on Friday and Saturday evenings. There was an estimated attendance of 878 at all services.

In addition, Wendy and Taya visited regularly in the campgrounds, shops, and restaurants distributing tracts and Scripture portions and inviting people to the services. They also directed the recreation and taught a youth class in the Chimney Rock Baptist Church Vacation Bible School.

The annual area-wide Youth Rally, sponsored by Resort Missions, was attended by approximately 300 youth and their leaders from churches in the Carolina, Polk, and Green River Associations. The climax of the rally was a concert by the singing group TRUTH which was attended by about 500 people. At the close of the concert about forty or more youth responded openly to the invitation to make their lives right with God through Jesus Christ; for this we give thanks and praise to God.

We are grateful to Lester Hodge for again providing us with an automobile and gasoline and to our Green River Association, the Baptist State Convention, and the Home Mission Board for their support of this summer resort ministry.

SOUTH MOUNTAIN BAPTIST CAMP

Thirty years ago God enabled the churches of Region 8 of N.C. Baptist to develop a camp for the promotion of Missions and the reaching of children and youth for Christ. This was in the dream of the late M. L. Smith of Fallston, N.C., when he donated most of the land for this camp.

Without exception God has done a wonderful work each year. Churches and interested individuals have prayed and given financial support. Through the years they rejoice with us knowing that so many young lives have been blessed.

There were 966 who attended our regular camps. Many visitors came each week. There were 1200 attending day camps and retreats. There were 87 saved and 181 other decisions. Campers made a commitment to be a fruit-bearing Christian and led to pray each day for world missions.

It was thrilling to hear many of the campers give testimony about receiving Christ or rededicating their life to Him.

All of us were challenged by our theme to be more involved in bearing Christian fruit and glorifying the Father. In our camp program children are involved in Bible study, mission study, memorizing scripture, worship and recreation.

Please join with us in daily prayer that campers will continue to grow spiritually and be fruit-bearing Christians.

STATE MISSION REPORT

State Missions is a vital part of the World Mission effort of North Carolina Baptists as they bear a witness for Jesus Christ to people across our great state from the mountains to the beaches.

There are ministries to the increasing numbers of foreign-born in our state, to migrant farm workers, and to tourists, campers, and vacationers in our many resort areas including our own Lake Luke/Chimney Rock area.

Encouragement and assistance is provided to most of our 79 associations through the Department of Associational Development and the Department of Cooperative Ministries and Seminary Extension works with the General Baptist Convention of North Carolina in providing student aid, campus and youth ministries, and seminary extension centers. Fruitland Baptist Bible Institute is a ministry of State Missions. North Carolina Baptist Men and the Woman's Missionary Union and special chaplains serve prison inmates and their families and there are special ministries to the mentally and physically handicapped.

North Carolina Baptists through State Missions has entered into partnership with our Foreign Mission Board in Togo. Last year, our present Director of Missions, while pastor of Mountain Creek Church, was able to participate in a preaching mission in Togo through the generous support of his church and others.

State Missions also helps to support Baptist mission work in West Virginia through a missionary coordinator in the state. In addition, three area missionaries serve the Northwestern, Northeastern, and Southwestern sections of our state.

Let us thank God that our gifts through the Cooperative Program and the New State Missions Offering enable us to give hope in Jesus Christ to so many people.

STEWARDSHIP REPORT

The association sponsored a stewardship conference May 6 with nine pastors present and six persons present. Nine churches were represented. O. D. Martin of the Baptist State Convention led the conference.

The 1987 Associational Stewardship Conference will be held in April. Vital stewardship information will be given to each one present. Plus, there will be information on Christian Money Management and the new Annuity Retirement Plan. Our plans are to make Christian Money Seminars available to church groups and individuals through the Associational Office. These conferences can help Christians master biblical principles of money management to achieve a life-style with fewer financial pressures and feelings of guilt. It includes helping members to grow spiritually, and to strengthen their families.

The State Convention sponsored Planned Growth In Giving Seminars throughout the state. This is an excellent plan for SPIRITUAL GROWTH that can be adapted to each congregation. Assistance to interested churches can be made available upon request through the Associational Office or the State Convention.

With our new location, new ministry ideas and proposals are coming in. To be able to encounter these new ministries more funds are needed. The more we give to the Association the more we will see it at work for God's Kingdom here on earth.

SUNDAY SCHOOL REPORT

The Sunday School is the Bible teaching arm of the local church. It also serves as the focal point of the church outreach program. Its organization and purpose naturally undergirds the outreach ministry of any church. Bible teaching should lead to a growing awareness of the witnessing opportunities around each member and when teaching is most effective, will lead to active participation in outreach. Your associational team stands ready to assist the churches of the Green River Association in better preparing teachers to teach, with the prayerful result being an increase in witnessing outreach. Call on us.

VACATION BIBLE SCHOOL REPORT

Vacation Bible School is one of the most exciting and rewarding opportunities Southern Baptist Churches have. For many boys and girls, more time is available for teaching the Bible than in an entire year of Sunday School! For many older children and youth, the evangelistic emphasis in VBS will mean life commitments to Jesus Christ and perhaps to full time Christian service. For many adults, first time and extra Bible learning experiences will deepen faith for some and introduce Christ to others.

Vacation Bible School is one of the most strategic Bible teaching and evangelistic tools available. I want to thank the following for making VBS a priority investment of their time, study, preparation, and teaching in our Associational Clinic:

Middle Preschool: Louise Myers

Older Preschool: Wilda Jo Hodge
Younger Children: Mrs. Arthur Yount (Sandy Run Association)
Middle Children: Ann Wingo
Youth: Rev. John Perry
Adults: Rita Viola Justice
General Officers: Rose Ann Shehan
Mission VBS/Backyard Bible Club: Rev. Sidney Tanner

Our associational clinic was held on Monday, May 19, at the Second Baptist Church in Rutherfordton. Forty-six (46) people attended representing 13 churches. I appreciate each of you who attended. I thank God for you. I pray God's blessings on you. I hope that each member of our association will covet together as a matter of prayer for volunteers to lead these conferences next year. Will YOU be one of those to volunteer?

Respectfully submitted,
Rita Viola Justice

W.M.U. REPORT

Our W.M.U. year got off to a good start with a well attended World Day of Prayer, November 4, at Pleasant Grove Baptist Church. The Baptist Women conducted the program which inspired us to prepare for our yearly week of prayer and Foreign Mission Emphasis.

In December, the W.M.U. Council met for our regular quarterly planning meeting and covered dish dinner. We continued plans for the upcoming centennial celebration as well as enjoyed good food and fellowship.

On January 8, after much planning and preparation, many churches in the Green River Association held birthday parties celebrating North Carolina Woman's Missionary Union's 100th birthday. The celebrations ranged from simple ceremonies to elaborate receptions with large cakes and costumes from 100 years ago. A special "Thank You" to all the churches who participated in this event.

On March 18, the Baptist Young Women from the entire association were invited to Pleasant Grove Baptist Church for a "lock-in." Thirty-five (35) GAs representing several churches in the association participated in this worthwhile event.

Also on April 17 and 18, nine of our W.M.U. associational Council members attended the state W.M.U. Convention in Raleigh. The State's Centennial Celebration was the highlight of the program. The meeting was one that was truly inspiring as our history was depicted in various ways.

On April 21 all the Mission Friend leaders were invited to a "Sharing Session" at the steak house. Nine people representing five churches enjoyed sharing activities with other leaders.

The highlight of our associational W.M.U. year was on April 24 as we held our 89th annual Green River Associational Session. Our theme, "100 Years of Missions," was carried out throughout the program. Our program included narrations entitled "Our Roots in the Past," "Our Involvement in the Present," "Today's Woman," and a drama entitled "We Are Tomorrow." As well as election of officers, reports from the age level directors and from the committees were heard. Many ladies were attired in authentic costumes to celebrate North Carolina's 100 years in mission work. The session, held

at First Baptist Church of Rutherford, was very well attended. Refreshments representing past traditions were enjoyed as guest viewed scrap books and displays supplied by centennial chairmen from different churches.

I would especially like to thank Mrs. Lucille Bailey, who served as Associational Centennial Chairman, and each person who served as centennial chairman in their local church for all the long hours of work and dedication put forth in making this celebration such a success. "Thank You" for a job well-done.

Finally, our year ended with many age-level directors attending a training workshop at Fruitland in July. This valuable information will be passed on as we continue to lead in the association. As we continue, we encourage your support of the W.M.U. program as we continue to support missions and accept the challenge of Col. 3:7 . . . "Whatsoever in His name."

The roll was called with 37 present and 20 churches represented.

The minutes of the previous meeting were read and approved.

Mr. Reid Hill gave the treasurer's report.

Rev. Sidney Tanner, Sunday School Director, reported that on February 7, at Spindale First Baptist a Sunday School Rally would be held with Robert Stewart, State Sunday School Director, as guest speaker and with the associational choir to supply our music. A nursery will be provided and the theme of the rally will be "What's Right with Sunday School."

Rev. Jerry Campbell, Evangelism Director, reported on the Continuing Witness Training to be held in Asheville in March and that five were signed-up to go from our association.

Tonya Hill, Music Director, reported that rehearsals for the associational choir for the Sunday School Rally would be January 25 and 26. Tonya also told us the associational choir was planning a Spring Concert and that she would like to hold an associational Children's Choir Camp in the summer.

Rev. Melvin Stallings, Missions Development Director, reported that the Missions Development Council had been meeting recently and that the following people had been elected to serve in the following positions: Wendy Case - Missions Survey Director and Rev. Ernest Poston -Church Missions Committee Director.

Rita Justice, V.B.S. Director, reported that the State Clinic would be held in March and that she was looking for volunteers to go to the State Clinics to be trained and be able to teach at the associational clinic.

Rev. Ernest Poston brought a recommendation from the Personnel Committee asking that our D. O. M. be allowed to enroll in the Doctor of Ministry degree in Missions Administration being offered from the Golden Gate Baptist Theological Seminary. The Personnel Committee is also recommending that the D. O. M. be allowed to be out of the office on the following dates and that his compensation be continued during this time: July 15-24, 1987 at Ridgecrest; January 5-22, 1988 at Golden Gate Baptist Theological Seminary in Mill Valley, California; June 16-23, 1988 at San Antonio, Texas; and August 5-13, 1988 at Glorieta, New Mexico. The attendance of these seminars by our D. O. M. will be of no cost to the association.

A motion to adopt this recommendation was made and seconded and the vote carried.

At this time the D. O. M. told us a little more about what he would be doing at these seminars and expressed his appreciation for the association allowing him to do this study.

Rev. Michael Jones brought from the Committee on Committees Council a motion to elect the following people to the Buildings and Grounds Committee:

Warren Andrews - 1987
Clifford Bradshaw - 1988 (chairman)
Quenton Scoggins - 1989

The motion had a second and the vote carried. Rev. Jones brought another motion from this same committee to elect Ms. Rita Justice to the Personnel Committee in replacement of Rev. Richard Bass.

The motion had a second and the vote carried.

Rev. Jones at this time made three recommendations from the Budget Committee:

1. The association is in need of a copy machine and one has been ordered from Xerox on a 30 day trial basis with the purchase price being $2199.75. This price includes supplies and tax. This particular machine comes with a free Maintenance Contract for the next three years. The budget committee can't say if the association can keep this machine because the funds are not available at this time. The budget committee would like for a motion to be made giving them the authority to be able to keep or reject the copier after the trial period is up depending on the financial situation of the association at that time.

A motion was made to this effect, was seconded and after discussion on how monies would be raised with the possibility of selling our stencil burner and duplicating machine and using the copier as our sole source of copying, the vote passed with some opposition.

2. Recommendation to set the Nannie Newsome Offering for Associational Missions at $5,000.00. A motion was made, was seconded and the vote carried.
3. Recommendation to designate money from the Nannie Newsome Offering to finish what is needed in the piano fund and the copier fund to purchase these two items and the balance of the offering would be used for the building debt. A motion was made, was seconded and the vote carried.

Michael Jones also gave us some suggestion as some things that would possibly need to be done in order to keep expenses down. One was to go back to only having one telephone line instead of two; this would give us a savings of about $50.00 per month and to reduce the bulk mailing of the newsletters to the churches.

Rev. Jones recommended that the P.O. Box be eliminated and the mail be delivered to the office. This would be a $53.00 savings per year. A motion was made, was seconded and the vote carried.

Rev. Billy Honeycutt gave his D. O. M. report. In this report he told us of a Conflict Management Seminar that would be held here at the office with Richard Bass and the D. O. M. being the leaders. Also, a Volunteer Missions Commissioning Service will be held for Carolyn Bailey and Richard Bass at the Mt. Vernon Church. Rev. Honeycutt asked that a Director of Media Services and a Director of Family Ministries be elected to serve in the association.

A motion was made to add to the list of General Office a Director of Media Services and a Director of Family Ministries. The motion had a second and the vote carried.

   "The Resort Area Missions Committee, composed of six members, shall be responsible for preparations needed for this ministry, e.g., securing a place for students to stay, securing automobile for their transportations, etc. They will serve in an advisory capacity to the director of missions in directing this ministry. This committee will make reports of its work to the Executive Committee and Association."

2. The Missions Development Council has been studying the idea of establishing a ministry on the campus of ICC for sometime. In August Joe David Fore, Community College/Volunteer Director Consultant with the Baptist State Convention met with this council. From that meeting the council began to ask some questions that have helped in studying this idea. Those questions have been:

   What is our dream?
   How to establish this ministry?
   What would this ministry involve?
   Who would be involved in this ministry?
   Who provides funds?
   What time frame is involved?

   Having looked at those questions, the MDC makes the following recommendation to the Executive Committee:

   "That the Association pursue to the possibility of a student ministry on the campus of Isothermal Community College.

RECOMMENDATIONS FROM THE BUDGET COMMITTEE

Recommendation:

That the time for the presentation of the Annual Budget by the Budget Committee to the Executive Committee for approval be permanently changed to the September Executive Committee meeting of each year.

Reason for Change:

The Constitution By-Laws of the Association states under Article VI, Standing Committees, 14 The Stewardship Committee, III Budget Section, that the new budget should be presented to the Executive Committee for approval at its spring meeting (May) with final approval coming from the annual session in October.

The Budget Committee has found out that by postponing this annual presentation until the September meeting of the Executive Committee, preparation for the budget works out much better. This gives the committee the opportunity to review and consider the August Financial Statement, and thus to have the budget of an eleven month report to work with. Such a change would necessitate a change in the By-Laws to be considered by the Constitution Committee.

Both recommendations had a motion, second and the vote carried on each recommendation.

Rev. Jones presented the Proposed Budget for 1987-88. A motion was made to approve this budget to be presented at the annual meeting. A second was made and the vote carried. Michael then requested that the churches start the new year with the churches contributing to the association each month instead of on a once a year basis, that it would be easier for the association to operate with money coming in more frequently.

Rev. Nelson Brooks brought the following recommendation from the Constitution Committee:

The Registration Committee, composed of six members, one from each church that will be hosting the Annual Associational Meeting in October for the next year, shall be responsible for registering messengers to the Annual Meeting; giving a report of number present at beginning of each session, determining the validity of seating a messenger; and submitting a report of their work in the Annual Minutes.

A motion was made to accept this recommendation, seconded and the vote carried.

Rev. Billy Honeycutt, D. O. M., gave his report. In this report a vote was taken on whether or not to let the motel next door put a sign up on the edge of the association's property. The vote was no. Billy reported that he had been visiting the churches of the associations and attending committee meetings along with working on his D. Min. Work. Directions to the annual meeting to be held at Mountain View (P) was given. Rev. Honeycutt request that Executive Committee members make a point of sharing with their church what went on at this meeting.

Appreciation was expressed to Rev. Michael Jones for the fine job that he had done with working on various committees. Michael has been called to the Lattimore Baptist Church in the Kings Mountain Association.

The meeting was adjourned with Rev. Perry Jones dismissing in prayer.

31 were present for this meeting representing 20 churches

WEST POINT: Is now within an interim period.

On February 15, 1987 at Mount Vernon Church a Commissioning Service was held. Two members of our association, Mrs. Carolyn Bailey, and Rev. Richard Bass were leaving in February and March respectfully to do volunteer work. Billy Honeycutt the DOM was responsible for this service, an act of love which the entire association appreciated. Carolyn is a member of FBC, Rutherfordton. She, along with a team of six, went to Mexico to work with preschoolers, children of the career missionaries who were there for their annual missionary retreat, February 19-24, 1987. Richard Bass, pastor of Mt. Vernon Church, went to Moretan, Togo, West Africa March 15-31, 1987, to be involved in the evangelistic efforts working with the career missionaries there. His stay there was to conclude a 3-1/2 years of partnership involving N. C. Baptist Volunteers and career missionaries in Togo. This was a joint effort of the Foreign Mission Board and the Baptist State Convention to meet the physical needs, as well as the spiritual needs of this country.

Under the leadership of our DOM pictures of all our churches were secured, and are now on display in the Associational office.

Respectfully submitted,
Lucille Bailey, Historian

APPRECIATION COMMITTEE

The Appreciation Committee would like to express a special word of thanks to all who have served the Green River Baptist Association during the last year.

We would especially note the prayerful and financial support of the churches; the faithful participation by members of the various committees; the music program under the direction of Tonya Hill; the Resort Ministry; the WMU Training Program under the able leadership of Wendy Case; the Pastors' Conference led by Rev. Jerry Campbell; the Bike-a-thon organized by Rev. John Perry which brought the total Nanny Newsome Offering to $5,700; and Mr. Fix-it: Rev. Clifford Bradshaw, who has made the necessary repairs to our Associational Office this year; and most of all appreciation is expressed to our Director of Missions; Rev. Billy Honeycutt and our office secretary and associational clerk; Rose Ann Shehan. Their zeal and dedication have inspired all of us.

We thank those who have made this annual meeting a success. We thank the Mountain View Baptist Church of Polk County with Pastor Robertson Bailey, and Montford Cove Baptist Church with Pastor Carl Walker for their hospitality. The welcome has been warm, the fellowship has been genuine, and the food has been delicious.

We appreciate the skill of our moderator, Rev. Richard Bass in keeping the meet-

ings on schedule and in fostering a spirit of cooperation among the messengers.

We thank those who have participated on the program; the Annual sermon by Rev. Nelson Brooks, the messages of Rev. Bobby Stafford, Rev. Yates Campbell, and Rev. Steve Pressley have brought words of wisdom and inspiration. We thank the representatives of the Baptist Hospital and Children's Home who have journeyed a long way to bring us the news of their important work.

We recommend that the Green River Baptist Association dedicate the Annual of its One Hundred and Forty-Seventh session to the RETIRED PASTORS who live in our Associational Area. They are:

REPORTS

MEDIA SERVICES

During the year the Media Services has extended a need for a film strip projector and an overhead projector. Through the help of one of our association pastors we have been able to add these two items to our visual aid equipment at no cost to the association.

Through the N.C. Baptist State Convention we have been able to furnish the Biblical Recorder on cassette to a blind retired pastor in our County. We have also made him aware of other items available on cassette tape for his use.

We have also made several other residents who are sight impaired aware of this service which includes in addition to our State paper, annual missions studies, January Bible Study and other important items for use in ministering to the sight impaired.

Media Services sent out a "Church Media Library Survey Sheet" to all the churches of our association. Nine churches responded to our survey. Six churches have a media library and five have a tape ministry to their members.

We are looking forward to continuing the search for people in need and are seeking to purchase in the year ahead a VCR/TV combination for use by our churches to share the gospel in video form.

Charles Zitzman

CHURCH MUSIC

Church Music continues to reach and touch the lives of countless individuals of all ages within our Association. Our Association has seen an increase this past year in the number of Churches reporting Music Ministry enrollment and involvement. The Associational Choir remains as the backbone of music fellowship and cooperation among the Sister Churches. Music Leaders have been involved on state-level ministry and training opportunities throughout the year. The Volunteer Choir Leaders' Retreat at Camp Caraway has become a valuable help to several of our Churches, and hopefully, more in the future! Music Leaders shared together at the Key Leadership Conference their needs of the present and dreams for the future. Communication to leaders of music resources and information is improving and Churches are supporting each other in their respective music ministries.

A glance at the past also calls for a glance at the future: musical drama by the Associational Choir, "Crown Him Lord of All" (scheduled for March 3, 4, and 5); Keyboard Workshop; Children's Summer Music Camp. These opportunities and more are coming in the next year

and a half. May we strive to always be "Musicians on Mission . . . That All My Hear!"

RESORT AREA MISSIONS

Christie Marsh and Barbara Lee, both from Texas, served in the Resort Area Missions in the Lake Lure/Chimney Rock area.

They conducted services in three campgrounds each Sunday and campfire services in two on Saturday night. On Thursday afternoons they conducted ministry on the beach at Lake Lure. Special thanks goes to the town of Lake Lure for allowing this ministry.

Visiting in the campgrounds on Saturday resulted in large attendance at the services. One campground consistently had 35 to 50 throughout the summer. Some church groups helped the girls in the services by bringing youth to sing and share testimonies. Next summer if you are looking for a mission outing for your youth, consider taking them to the campgrounds to help in the services.

Some twenty churches of the association had the girls to speak in services either on Sunday or Wednesday nights. Thank you for supporting this association mission project in this way. More and more people in our churches are becoming aware of this ministry.

Chimney Rock Church is to be commended for the many ways they helped these girls when they needed something. And, the Resort Area Missions Committee is to be recognized for their help in getting items together that were needed, especially the pounding that greeted the girls when they arrived on June 2. Wendy Case was the leader in getting that accomplished.

This is a ministry that is growing in our association. On a follow-up visit in the campgrounds after the girls had returned home, each campground owner was very grateful and excited about the Association sponsoring this ministry. One said, "Our summer wouldn't be complete without it." As next summer approaches pray for the students that God would have come and serve and pray for the ministry.

Billy Honeycutt

STATE MISSIONS

This report on State Missions was submitted for the annual meeting of the Green River Baptist Association during the annual Week of Prayer of State Missions. It was prepared with a prayer that the people of our Association will respond with generous hearts and prayerful support to the great need of mission support in North Carolina. By the time this report is read by the messengers, the response of our people to the appeal for support of State Missions will be known.

It is reported that over 2 million people in our state are unchurched. Surely, the responsibility for the reaching of these people lies primarily with the more than 3400 local Baptist churches in the cities, towns, villages, and rural areas of our state.

Beyond the local church, North Carolina Baptists support thirty-six ministries and their facilities seeking to reach the lost and meet the various needs of many people in the name of Jesus. Baptists of North Carolina help support seven colleges, seven children's homes, five emergency youth shelters, six homes for the aging, six Baptist Student Centers, four camps and assemblies, and one hospital.

The Division of Missions of our Baptist State Convention provides many varieties of direct mission ministries to North Carolina. These include language ministries among Indians, Koreans, Chinese, Japanese, Vietnamese, and Arabs. Approximately 23,000 migrants come to the state each year to harvest crops. Migrant ministries are conducted in seven associations.

Resort missions touch the lives of thousands of tourists each year at the beaches, lakes, and ski resorts. Approximately 49 million out of state tourists visit North Carolina annually.

There are 15,000 plus inmates in correctional facilities in north Carolina. About 600 are women. Ministries to prisoners and their families include chaplains, Baptist Men, Baptist Women, and Seminary Extension classes.

The visually, mentally, or orally handicapped need special attention. Churches are provided with information on how to structure programs and activities to lead these persons to accept Christ and grow

in discipleship. State retreats, camps, and conferences are also provided for them.

In addition to these many ministries, the Mission Division also serves the churches through the departments of Associational Development, Church Extension, Christian Social Ministries, and Seminary Extension.

All of these ministries need your continuing strong support of faithful prayer and generous giving that people may hear the good news of salvation through faith in Jesus Christ.

EVANGELISM

God continues to bless N.C. Baptist through Evangelism. Plans are continuing to assist our churches in developing Church Evangelism Committees to strengthen the work of evangelism in the church.

Many churches are sill getting involved in CWT and Lay Evangelism Schools. The training of the laity to be involved in witnessing will continue to be a priority in North Carolina Baptist evangelism.

The 42nd Statewide Evangelism Conference was held in Greensboro Coliseum February 8-9. Dr. Landrum Leavell, Rev. Ron Dunn, Rev. Manuel Scott, Rev. Junior Hill, Dr. Charles Page, and Rev. Herman Rios brought the messages. Joe Ann Shelton and Loeen Bushman led the music for the conference assisted by Pat Long and Rick Setzer.

The 1989 Evangelism Conference will be held February 6-7 at Greensboro Coliseum. Dr. John Sullivan, Dr. Frederick Sampson, Dr. Jimmy Draper, Dr. Frank Pollard, and Dr. George Worrell will be the speakers. Dr. Dick Baker will be leading the music.

Super Summer '88 was held in July at Friendly Avenue Baptist Church, Greensboro with the crusade on Friday night at the Coliseum. Approximately 5,500 attended the crusade with 800 making commitments during the commitment service. Two Youth Evangelism Weeks were held at our N.C. Baptist Assembly, Caswell, with 1,700 in attendance. 570 youth made commitments during these weeks.

Again, this year the Student Evangelism Team "WITNESS" served in churches all across N.C. Everywhere they ministered, people were blessed. The N.C. Baptist Children's Homes continues to help in supporting the ministry of WITNESS.

Fifteen regional evangelism conferences will be held across the state in October to inform and educate leadership about coming evangelism events and programs. The meetings begin at 10:00 a.m. and last until noon with lunch being served.

Our annual Mountain Evangelism Conference and our Eastern North Carolina Evangelism Workshop again met the needs of these specialized areas of ministry.

Plans are now being made for another simultaneous revival effort called "Here's Hope, Jesus Cares For You." N.C. dates are Eastern - March 18-25, 1990; Piedmont - April 1-8, 1990; and Western - April 22-29, 1990.

Let us continue to work and witness that we may continue to see people come to know Him. It is our prayer that baptisms will begin to

rise each year.

SUNDAY SCHOOL

On March 26, 1988 the association held its annual Sunday School Rally at Mountain Creek Baptist Church. Sixty-eight people were present representing 16 of the association's churches. At the meeting, the newly formed ASSISTeam was introduced to the Associational Sunday School workers. Since then ASSISTeam age group leaders have had the opportunity to work with individual churches in an effort to help with their Sunday School needs.

High attendance Sunday's were reportedly very successful in many churches throughout the association.

Our annual workshop is scheduled for October 10 at Fellowship Baptist Church. The theme is Preparing for the People Challenge.

Members of the ASSISTeam stand ready to help in any way that we can. Let's work hard to make this the best year ever as we reach people for our Lord through the Sunday School.

VACATION BIBLE SCHOOL

As an arm of the Sunday School, Vacation Bible School has a unique opportunity for reaching people. In recent years many churches have had their youth and adult groups in the evening to accommodate work schedules. In doing this Vacation Bible School now can reach all ages.

Whatever your schedule, Vacation Bible School gives you the time to share Christ through concentrated Bible study, mission study, music, fun and fellowship.

The Associational Vacation Bible School Clinic was held April 30, 1988 at Southern Baptist Church, with thirty-four present, representing eleven churches.

I want to say a heartfelt thank you to the following who gave so generously of themselves to make this clinic a success.

W.M.U.

This was a BIG year in W.M.U. as the SBC celebrated our 100th Birthday. Green River Association was represented well at Richmond, VA by Pat Zitzman from Spindale First. Pat carried in the parade of

associations a banner prepared by several of our Council Members. This banner is now on display in the Associational Office.

We, as an association, sent 600 bags of hard candy to the N.C. Women's Correctional Center. We also sponsored PATH through partnership participation among the churches. And last, but hardly least, we sponsored Hospice with contribution of $902. And again we earned the "Distinguished" award.

Many of the churches have invited me to speak. Also, our age-level directors have contacted several churches helping to organize new organizations and groups. Thanks for a great Centennial Year!

CENTENNIAL CELEBRATION OF WOMAN'S MISSIONARY UNION

Auxiliary to Southern Baptist Convention
May 13-14, 1988 - Richmond, Virginia

It was an honor and joy to have been one of over 11,000 in Richmond for the Centennial Celebration. Over 700 of us wore purple ribbons with a gold inscription, "Association Woman's Missionary Union Official Representative."

Charles and I arrived in Richmond Thursday evening around 6:30. We checked into our motel and then checked out the location of the Richmond Centre and Richmond Coliseum for the next morning.

We were in line when the doors opened on Friday morning for registration. Following registration, we toured Celebration Hall in the Richmond Centre. This was a trip through the history of WMU. Eight-five displays awaited our inspection. Displays included: "The Morning Hour of Missions" - where we learned that New England was the cradle of mission support in the New World. One of the earliest organizers of women for prayer was Mary ("Polly") Webb, a tiny, 21-year-old paralyzed woman who formed the Boston Female Society for Missionary Purposes in

1800. Webb and her society set the stage for the organization of Woman's Missionary Union. An Annie Armstrong and Lottie Moon display drew much attention. it was fun to have our picture taken behind the cut-outs of WMU magazine covers. We received our North Carolina button at the NC booth, a bag of rice at the Louisiana booth, an orchid from Hawaii, and the Northern Plains Baptist Convention provided authentic period dresses through Celebration Hall. Members of eight churches in the Roanoke Valley Association, VA, provided dramatic presentations. Celebration Hall provided us with fun, entertainment, and information. Celebration Book Store, a special Baptist Book Store was set up in the Richmond Centre. This was the only area you could get into without your badge. A satellite store operated near the Fifth Street entrance to the Coliseum on Friday evening and all day Saturday. All WMU products, as well as a wide assortment of regular Baptist Book Store products, and interesting souvenirs were available.

A Hospitality Reception, for all Associational WMU Official Representative, was held on the second floor of the Richmond Centre from 10:00 a.m. to 1:30 p.m., on Friday. We were asked to sign our name, association, and state on one of the loose-leaf pages available in designated places. The pages will be bound together in the Official Representatives Registration Book to be preserved in the archives of the national WMU office in Birmingham.

At 1:30 p.m., I reported to the Grand Ballroom of the Richmond Centre for an Orientation for Official Representatives. Our program was well-planned, as was the whole weekend, and it was our privilege to hear Carolyn Weatherford, Marjorie McCullough, Alma Hunt, Helen Fling, Dot Sample, and Christine Gregory. Carolyn Weatherford, Executive Director 1974-present, spoke to us about the characteristics of WMU. The strongest characteristic, she said, "is friendship" - "a quality of friendship." Then along with friendship, there are 5 other characteristics? (1) Organization - the news media did not want to talk about the 100 year celebration of WMU but rather what would happen if there was a split. She reminded them that there are 30,000 Southern Baptist Churches with a work to be done. (2) Purpose - being a part of what God would have us to do. We are wonderfully obsessed with missions. (3) Women's Organization - We are the only organization in Southern Baptist Churches whereby a woman and girl can use leadership skills. We can vote in the convention but we do not have much voice - only 10% of the women have leadership roles. (4) Inherit and serve as an Auxiliary - We have inherited the privilege and serve as an Auxiliary to the Southern Baptist Convention. We have our own officers, etc., and (5) We do have a future - Annie Armstrong was asked when WMU was 2 years old how long it would last. It will last as long as there is at least one person in the world who does not know Jesus. Helen Fling reminded us that this is a great time to celebrate 100 years but we have more to do. The past is a great place to live but not for long. There are at least 80 countries where we do not have missionaries. She said, "God wants us to live in the valley with mountain top experiences in our heart." Following our service, we were given a complimentary Centennial WMU glass mug.

Celebration in the Park was the first event of the Centennial weekend for everyone. For 2 1'2 hours, in absolutely perfect weather, folks gathered at Festival Park. There we found five stages had been set up in the area surrounding the Richmond Coliseum. Between 4:30 and 7:00 p.m., each stage featured different entertainment every 30 minutes.

When we presented the top portion of our confirmation notice, we received a white cooler containing our box supper and the container was ours to keep. Quilts were displayed for judging. Ladies stood in line as long as 2 hours to enter their quilt. The handiwork of WMU ladies everywhere was on display. Representatives of WMU organizations from 25 nations were present in the park. And everywhere you looked you saw period costumes - dresses, long-tails, bathing suits, black nurse's dresses - it was fun to watch the traffic going by with everyone peering out at the scene in the park.

At noon on Saturday our group from First Baptist toured the Foreign Mission Board while I was receiving instruction, along with 700 other ladies, for marching in the processional. At 2:00 p.m., we had the honor of representing our Association in the processional of Official Representatives of the Associational Woman's Missionary Unions, which was broadcast live over the Baptist Telecommunication Network and American Christian Television System. The long, hot, hour wait was worth it all! I found out there is more than one Green River Association. Wyoming has a Green River Association, too.

The Centennial Celebration program was CELEBRATE GOD'S CALL on Friday evening, CELEBRATE GOD'S CREATION, Saturday morning - which started at 7:30 a.m. - GOD'S COMMISSION was the Saturday evening theme. We were able to praise through an outstanding variety of music. We re-lived dramatic moments in WMU history as we watched the Parkview Players from Monroe, LA. We were caught-up in the monologues of Annie Armstrong, Lottie Moon, Fannie E.S. Heck, Kathleen Mallory, and Ethlene Boone Cox. We were spell-bound as we watched 93 retired (recycled as one said) missionaries, as well as more than 400 missionaries representing 50 states, 3 territories, and 113 countries follow a processional of flags. The retired missionaries represented a total of 2,923 years of service - that would take us back to the days of Abraham. There were more missionaries at the Celebration than have ever assembled in one place at one time.

One Saturday evening, the Centennial Banquet was held in 13 locations with identical programs and banquets. Over 8,000 attended the banquets. The theme was Shimmering Stars. This was our initiation into the Second Century. In order to make a memory, we were given a page in our banquet program to collect autographs of those at our table. Charles and I had the opportunity to speak to Missionary Dale Moore from Nigeria. Miss Moore was among the missionaries that just retired. Again seeing the costumes of the missionaries, the period dress, and the challenge from Marjorie McCullough, Home Missionary Esther Burroughs, Foreign Missionary Jon Sapp made this a beautiful learning experience as well as celebration.

The whole weekend Celebration is one I will never forget. But as Dorothy Sample reminded us - there were 32 (31 ladies and 1 man) when WMU was formed in 1888 and over 11,000 of us celebrated the 100th year of WMU but we are still commissioned to "Go, and Tell" today. The second century has begun!

STEWARDSHIP

The Stewardship report for the Green River Association for this year is one of REJOICING, WARNING AND CHALLENGE.

First, we rejoice that our total receipts of offerings given by the churches, one significant mark of our faithfulness in stewardship, are at an all-time high of $2,151,175.

But, second our giving to missions is down just a little from last year, and our cooperative missions giving is down about 3% from the same period.

And, third, this lays a tremendous challenge upon us. While our giving stands at just over two million dollars, this represents only about 23% of what our gifts would be if every member tithed. Think of it! Four and a half million of the Lord's money withheld in this association alone!

Last year your stewardship committee helped arrange and promote the annual stewardship conference for all the leadership in our association. The meeting was held on March 31, and was well attended. In addition to this, our Key Leadership conference was held in August, but ONLY ONE PERSON showed up for the stewardship section. We believe that if the pastors cannot attend this session annually they ought to appoint another responsible person from their church (finance committee chairman, deacon chairman, or other) to attend this meeting so that information can get back to the churches.

The best of materials in stewardship promotion are available free or at nominal cost from our state convention. For the church just beginning a budget process, there is the BASIC CHURCH BUDGETING program. For the church already involved, there is the COMMITTED TO MINISTRIES program. For the larger church already utilizing a program, there are the Growth IN GIVING and the PLANNED GROWTH IN GIVING programs. All these are excellent programs already successful in many churches.

Please contact the stewardship chairman, any member of the committee (listed in the minutes) or the director of missions for any assistance you may need.

Respectfully Submitted,
Charles Nanney

DIRECTOR OF MISSIONS REPORT

This year has seen gains in the association and new directions taking place.

A significant gain has been in ministering to youth. There were four or five youth events during the year that were well supported. In August a large number attended a youth rally at Spencer that touched many who were present, more than 20 decisions were recorded in the service. As I visit in churches, I hear people expressing appreciation and support for ministry the association offers for youth.

A new direction in Youth ministry this summer was the Apostoloi Team that visited in different churches working with the youth. This was a joint effort of the Baptist State Convention and the Association. Lee Ann Headley, Staci Smith, Daniel Dollar and Hunt Dunlap worked ten weeks this summer helping churches with their youth ministry. This was

a positive experience for the Association.

In the March executive committee meeting a request from the Spencer Baptist church to affiliate with the Association was received and approved by the committee. After a year of watchcare status, as directed by the by-laws, Spencer will become a fully affiliated church with the Association. In making this decision, the church cited geography and the majority of people in the church working and going to school with others in churches of the association as key factors in affiliating with Green River Association. The strength of this church's mission commitment ministry and service to the community will add to the Association. I trust that the Association will be an avenue of further service for the church.

Another gain for the Association this year has been the strong financial support given by the churches. The gifts for the budget should reach the budget goal of $55,392.00. I want to thank pastors, deacons and treasurers of churches who saw to it that our financial picture changed from deficit to surplus this year. In conjunction with this, at the end of the Association year, the debt on the building was $10,286.00.

A personal gain this year has been my Doctor of Ministry studies. I feel the seminars I have attended this year have helped me be better prepared to serve as director of missions. I am about half finished with these studies.

I am grateful for the fine leadership of this association. I feel a great sense of cooperation and support from those serving on committees and the general officers. I also appreciate Jerry Campbell, Charles Zitzman, Ron Cooper, Rex Collins and Ron Reep who have served as callers for the pastor's contact network. These fellows have been willing to make contact with fellow pastors when a quick word was needed to be communicated to pastors.

And I continue to see growing support for missions in our association. Involvement in the resort mission work by churches increased this year. There were over a dozen people from the association who were involved in volunteer mission work this year. And, the churches together gave over $60,000 to the Lottie Moon Christmas Offering in a combined effort. You see, Green River Baptist Association is missionary at heart, and many events this year reflect that spirit.

Respectfully submitted,
Billy Honeycutt

SOUTH MOUNTAIN BAPTIST CAMP

1988 Camp Report

Our hearts are continually grateful for the visions shared some 31 years ago to organize the South Mountain Baptist Camp. We are now reaping the benefits of the foresight of those Associational Leaders, Pastors, and Church Messengers that voted to accept over 60 acres of land to build a regional youth camp. (The camp now consists of approximately 100 acres.) The ministry of the camp, during these 31 years has been geared toward evangelism, discipleship, and mission involvement!

In recent years the program of the camp has become twofold. First, the summer camping program. This summer 844 youth, counselors, 20 staffers and many visitors were challenged by this year's theme "Walking

in the Spirit." Of those attending, 230 responded to the challenge with 80 of these being first time decisions to accept Jesus as Savior. Secondly, there is the year 'round retreat ministry. Another 791 attended the camp on weekend retreats and special day camps. There were 36 different churches using the camp during the year; there were 2 special retreats for the deaf students from the nearby North Carolina School for the Deaf; there was one associational leadership retreat held during 1988, and one associational Day Camp.

With the addition of the Retreat Center, the demand for year 'round retreats has grown dramatically. Church councils, deacons, couples, choirs, singles, and senior citizens are only a few of the groups that are using this new facility.

There is a renewed interest in recent years in the program and possibilities of South Mountain. We thank you who have shared the vision through the years. We urge those that are just learning of the camp to come visit and see how South Mountain can help in your church ministry.

Please keep in mind that South Mountain Baptist Camp depends on donations from churches and individuals to operate.

ANNUITY BOARD

A new publication was recently begun by the Annuity Board called "Benefits Digest." It is a newsletter for members of the Church Insurance program with the purpose of providing information on insurance coverage, health-care trends, general medical information and life-style features.

In the first issue of this newsletter, an article described the situation the Annuity Board is facing with the rising cost of health-care costs and the crisis this causes for health insurance provides. A letter was sent to medical plan members on September 1. The situation the Annuity Board is facing is an increase of 25-35 percent for members of the Church Comprehensive Medical Plan. This will take effect January 1, 1989. Churches will want to be aware of this and make provisions in their budgets to cover this increase.

In July of this year, the board's depository bank, First Republic Bank, was taken over by NCNB Corp. of Charlotte, NC. Darold Morgan, Annuity Board president, said, "The name change on the check is about all the effect this historic event in banking will have on us. None of our assets were registered in the name of the bank and the money we deposit is in a trust relationship. The Annuity Board was neither an investor in First Republic Bank stock nor a creditor."

There are 24 pastors of the Association in the Expanded Church Annuity Plan out of 25 that have retirement with the Annuity Board. Four staff members of churches are also in the Annuity Board Retirement.

APPRECIATION COMMITTEE REPORT

The Appreciation Committee would like to express a special word of thanks to all who have served the Green River Association during the last year.

We are especially thankful for the prayerful and financial support of the churches; the faithful participation of all the committees; the associational music opportunities and offerings under the direction of Tonya Hill; the WMU program under the able leadership of Wendy Case; the Pastor's Conference led by Curtis Gilstrap; and to those who helped plan and implement the associational youth events. We appreciate the fine leadership Richard Bass has provided us as Moderator of the Association for two years. Grateful thanks to those churches that allowed the

Summer Resort Missionaries and the Apostolic Team to share with them and who helped by providing meals, food and expenses for these missionaries. Thank you to Rev. Billy Honeycutt and our office secretary and associational clerk, Rose Ann Shehan. Their zeal and dedication have inspired us all.

We thank Piedmont Baptist Church, pastored by Jim Cathey and Pleasant Grove Baptist Church and their Pastor, Gary Garner, for their hospitality in hosting this annual meeting. Thank-you for such a nice welcome, warm fellowship and delicious food.

A special thank you to those who have responded to the great commission by their teaching and involvement in missions. We are grateful for the examples of Richard Bass and the team from Mt. Vernon Church that ministered in the Caymen Islands, Carolyn Bailey's willingness to teach Vacation Bible School in Jamaica and Phillip Archer's witness for our Lord in Alaska. We pray that others of us will be inspired by their willingness to go and tell the world.

We thank those who have participated on the program: we have been lifted by the annual sermon by Rev. Rex Collins, and the messages of Don and Judy Crawford. We look forward to the message of Rev. and Mrs. J.T. Brown as they inspire us. We thank Jack Hoyle, Edwin Coates and Alex Booth for sharing news of the agencies they represent.

The Appreciation Committee wishes to recommend the minutes be dedicated to one who has served his church and this association for many years.

A native of the Granite Falls, Lenoir, North Carolina area, he and his wife, Mildred, have two married daughters, Penny and Paula. He enjoys fishing and golf and has recently been learning to fly. He loves and cares for his people and on December 16, 1988 will reach a milestone of thirty years as Pastor of Calvary Baptist Church. The committee recommends the minutes of the 148th Session of the Green River Baptist Association be dedicated to Rev. Clifford Bradshaw.

REPORT TO THE ASSOCIATION
BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

You took the time, you cared. You gave much when you didn't have to. In behalf of Dr. Blackwell, the children in care, our staff and trustees, thank you for your prayers, your caring and financial support. You are special to this child care ministry.

A major thrust beyond our quality child care this year was the completion of our Long Range Plans. To continue being bold in child care, several challenges were accepted by our staff and trustees from the results of our five-year LRP. We plan to add two emergency care homes - another one on the Kennedy Home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened by early 1989 - a

teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions in Miniature."

To meet these challenges and continue the current ministry to children, our budget must move from seven million dollars (which it has been for five years) to 11 million dollars by 1992-93. We hope that by 1993, the Baptists of North Carolina will be giving fifty percent of our daily operating budget. Currently we receive 34 percent. This can be achieved by increasing church receipts through the Cooperative Program, the Homes and Hospital Offering and designated gifts from churches and individuals. The future of child care in North Carolina is in the hands of the Baptists of our great state. We believe they will meet the challenge.

Update from the Western Area:

We here in the West continue to be blessed with mountain top experiences in caring for children. Moody Home in Franklin, Broyhill Home at Waynesville/Clyde, Thermal Belt Youth Shelter in Forest City and Haywood Emergency Care Cottage on the Broyhill Campus all continue to operate at near capacity levels.

While alternative options now open to unwed mothers have caused the demand for residential maternity care to somewhat decrease, the Baptist maternity Home in Asheville continues to be one of our most blessed ministries.

The vase majority of the young people we serve come from the ranks of the hurt and the hurting. Sadly very few have had spiritual training prior to their time with us. In order to help fill this vacuum, SONshine Week, a week of special Christian activities, has come to be a vital part of the Broyhill program.

One of the highlights of SONshine '88 was when Kristy, a high school Junior, shared her personal testimony in a way that thrilled and amazed us all. Kristy shared how her life was now completely transformed because of Broyhill and because of Jesus Christ who now lives in her heart.

Equally thrilling to the testimony was the response of the troubled children who listened. As Kristy finished her testimony, the Broyhill children spontaneously gave Kristy a rousing, prolonged standing ovation.

BAPTIST FOUNDATION
REPORT TO THE ASSOCIATIONS - 1988

For several years, Montagress Mercer has provided an example of estate stewardship which members of the Foundation staff have often related, but always without revealing her identity. It was her wish that "nobody know". Mrs. Mercer died this spring. We can now share her name as well as her testimony. It was her wish that "Lottie" should have her farm. To accomplish that, the farm was deeded to the Foundation but she retained all benefit from it for as long as she lived. As the plan for doing this was explained to her and the possibilities unfolded, she clasped her hands together and exclaimed, "I'm so happy!" Now her happiness has been justified. That which she desired is now a reality: the income from her trust will be paid forever to the Lottie Moon Offering. It is incidents like this which tell the story of Baptist Foundation. Facts, figures and statistics have their place, but the people behind them are the real story.

Another unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. Sometimes, a person only wishes to make a modest gift in trust for one specific cause and then is content. Often, however, the person realizes that both his family and Baptist causes he loves can derive a greater benefit from his estate, if his plan includes always a Will that capitalizes on the best possible planning. One couple, utilizing the Foundation's expertise for total estate planning, rather than making piece-meal plans and small bequests here and there, took full advantage of the tax laws available for them and provided fully for their son and the Baptist causes which they desired to support. Their satisfaction now comes from a coordinated estate plan. It is in total estate stewardship planning, not in "getting a gift", that the Foundation renders the greatest service.

The "unfunded" trust simplified planning for many persons in the past year and continues to provide a way to help meet the objectives of many stewards. The trust document is prepared to incorporate the provisions of the trustor's wishes. It will not take effect, however, until the individual is deceased. Then their Will provides the funding, most often the residual estate being assigned to the trust, hence the term "unfunded". The individual has the joy of having a plan in place, all signed and legal.

Marjorie has updated her Will this year and created an "unfunded" trust. At her death, her entire estate will fund her trust. For a definite period of time thereafter, her family will receive income from the trust. At the end of those years, the income will support Baptist work forever. As he was discussing this with the staff, a new option became available to her. Her church established a Foundation trust whose income, when it is received by the church, will support local missions, the Lottie Moon offering, a church scholarship fund, and assist with capital improvement and maintenance of its historic building. Marjorie named that church trust fund as the beneficiary of her unfunded trust. To her, happiness is having an accountable plan in place for the accountable steward.

The Baptist Foundation added 62 new trust funds to its numbers in 1987. Gifts to trust increased its holdings to a record $14,452.258.

Trusts already in place provided $578,697 in support of Baptist causes. As important as these statistics are, a significant aspect of The Baptist Foundation program is that it provides individuals, such as Mrs. Mercer, with an avenue for continuing their support of Christian causes beyond their lifetime.

NORTH CAROLINA BAPTIST HOSPITAL
REPORT TO THE ASSOCIATIONS - 1988

Perhaps the word which best sums up the past year at Baptist Hospital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The $140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been $181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs . . . as we work closely with the North Carolina Baptist State convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning without our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

Like most hospitals throughout the nation, Baptist has been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members. Among these are: a day care center for children of employees, wage and salary adjustments, weekend shift differential, weekend options program, case management concept, and a

loan/scholarship program for students preparing for health care careers.

In January, Dr. John Lynch, who has been president of the hospital for more than seventeen years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr.. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received $659,062 through the Cooperative Program and $290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

SUNDAY SCHOOL BOARD REPORT TO THE ASSOCIATIONS

With 17 programs of work assigned to the Sunday School Board by the Southern Baptist Convention, it would be easy to see the heart of the church programs and publishing board's work as programs. However, President Lloyd Elder told messengers to the 131st meeting of the Southern Baptist Convention in San Antonio, Texas, that people must always be the focus of all the Board does through its programs.

"Sunday School and Church Training curriculum must be planned, written and edited with a biblical base to help change the lives of people," said Elder. "Scriptures must be made available at the lowest possible cost for our Southern Baptist people to share with others who need to hear and respond to the Gospel message. And we must make it as easy as possible for people to obtain literature and other products."

Effective March 1, 1988, Southern Baptists can order virtually any product the Board produces or sells by calling 1-800-458-BSSB. The advantages of this process are toll-free ordering and reduced response time to the customer. Also, churches may order literature via computer with the EASY Church Order System. Churches using this system either with their own computer or those in Baptist Book Stores may receive a five percent discount on their church literature orders.

To illustrate the scope of the work of the Sunday School Board, a total of 208,514 telephone and mail orders and inquiries were received during the first six months of 1987-88.

A major new product to meet the needs of people is the Disciple's Study Bible released in June 1988 by the Holman Division in cooperation with the Church Training Department. Study helps focus on 27 great doctrines of Southern Baptists.

Also, for the second consecutive year, the Board provided free to messengers attending the Southern Baptist Convention copies of New Testaments to use in witnessing to people they encountered in San Antonio.

Increasing the evangelistic focus of Southern Baptist Sunday Schools is a continuing focus of the Board's Sunday School Division. By October 1988, the plan of salvation will be included each quarter in all Sunday School lesson periodicals, Sunday School leadership and devotional magazines and Vacation Bible School materials.

Work has begun through the Church Music Department on production of a new Southern Baptist hymnal to be released in 1991.

A reorganization of the Church Administration Department was completed to give increased leadership and support for church growth.

Approximately 6,500 Southern Baptist single adults attended a

national convention Memorial Day weekend in Nashville sponsored by the Family Ministry Department.

Writers are being enlisted for a new 40-volume Bible commentary to be published by the Broadman Division with the first volume expected to be released in 1991.

A total of 145 college students and campus ministers participated in a USA-Brazil global missions project in January 1988, a cooperative effort of the Board's Student Ministry Department, the Foreign Mission Board and the Brazilian Baptist Home Mission Board.

"Through our programs for people, we emphasize the nurturing of life through the study of God's Word, we seek to motivate and support the task of reaching people, and we challenge pastors, church staff members and volunteer leaders to see themselves as God's servants in the ministry of changing lives," said Elder.

BAPTIST RETIREMENT HOMES

I. MISSION

The Baptist Retirement Homes of North Carolina, Inc., began operation in 1951 with a charge to provide a Home for "Aged Saints" in the spirit of Christian care. The mission of the Homes continues to be that of providing quality residential opportunities for Older Adults within a Christian context.

The foundation of the ministry is based in the Gospel of Jesus Christ, for in the Gospel is a message of healing and wholeness. The Homes believes this message offers Older Adults the meaning, purpose, and dignity needed to enrich their lives.

The hallmark of the Homes' ministry is the quality of its care. It is a distinction that is present at all levels, in all locations, in all services. The Homes takes seriously its responsibility to make its residential opportunities available to Older Adults across the State and to be continually responsive to the needs of Older Adults as those needs expand and change.

With that in mind, the homes operates facilities in locations across the State: Asheville in the West, Hamilton in the East, Yanceyville in the North, and Albemarle in the Southern Piedmont. A multi-level care facility in Winston-Salem currently services the needs of Older Adults from all over the State.

Older Adults have differing needs, and the level of care for any single individual necessarily changes as time passes. It is for this reason that the Homes offers independent living in an apartment setting, personal care for those who require some assistance with daily living, and two levels of nursing care.

II. NEED

According to a January, 1987 Report of the Office of State Budget of the State of North Carolina, the number of North Carolina citizens age 65 and over will increase by 203,935 (28.9%) by 1995 and 286,831 (40.6%) by the year 2000.

Statistics for the North Carolina Baptist Older Adult Population are even more dramatic. The percentage of increase for the 80-plus age group in Baptist Life (those individuals most likely to need residential care) is predicted to be more than 50% by the year 2000. Attempting to

address this great challenge, the Baptist Retirement Homes has launched a bold new program of development and ministry that includes the following:

1. THE DEVELOPMENT OF REGIONAL CONTINUING CARE RETIREMENT COMMUNITIES

   A five-level continuing care retirement community (Brookridge) is now under construction in Winston-Salem. Land for that same purpose has been purchased in South Charlotte. Planning for the development of similar communities has begun in Asheville and in Eastern North Carolina.

2. THE DEVELOPMENT OF A HOME HEALTH CARE MINISTRY

   In 1988, the Homes received a grant from the Mary Reynolds Babcock Foundation to study the feasibility of establishing a volunteer-based Home Health Care program that will enable frail Older Adults to continue to live independently in their homes with some assistance.

   The Homes believes that the ability to remain in one's own home as long as possible can benefit Older Adults by enhancing both their quality of life and their life-span. Fixed incomes and meager resources mean that Older Adults are also benefited as they seek to use their funds prudently: there will be no charge for the Home Health Care services. The Homes also believes there is an enormous segment of the Older Adult population that is not yet in need of residential care but does need the kind of "light nursing" that this concept of Home Health Care provides.

3. THE DEVELOPMENT OF FINANCIAL SUBSIDIES FOR RETIRED MINISTERS AND MINISTERS' SPOUSES AND OTHER OLDER ADULTS WITH LIMITED FINANCIAL RESOURCES FOR RETIREMENT LIVING.

   The fastest growing segment of North Carolina Baptist life is the Older Adult population. The needs for residential living opportunities on all levels (from independent living to nursing care) grow as the population does. A large number of Baptist Older Adults requiring service within a residential environment cannot afford the cost of that care.

   Particularly does this seem to be true for a large number of retired pastors and their spouses. Because so many ministers have lived in church-owned parsonages or have been given housing allowances, thereby never developing home equity, it is extremely difficult for retiring pastors to underwrite the cost of retirement living or residential care in their later years. The Homes feels a particular commitment to these individuals and has responded as much as

the parameters of its Benevolent Care Program will allow. New sources of funding must be found if this great need is to be met.

As we move into 1989, opportunities for creative ministry with Older Adults abound. With the support of North Carolina Baptists, the Baptist Retirement Homes will endeavor to turn those opportunities into the kind of reality that will meaningfully service the needs of the Older Adults of our State.

North Carolina Baptist Report - 1988
Council on Christian Higher Education
Baptist State Convention of North Carolina

What Is A Baptist College?

First, Baptist colleges are colleges, places where teaching and learning take place. During 1987-1988 almost 18,000 students and more than 1300 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word "Baptist" tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges. Some of these who met at one or more of our colleges during 1987-1988 are these: January Bible Study preparation; summer ministries orientation for students working with churches; youth ministry retreats; youth choir festivals and children's choir camps; pastor's schools; Christian studies for pastors and their families; senior adult rallies; Directors of mission summer meetings; church weekday education workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; pastor support conferences; church incorporation seminars; WMU-sponsored Acteens meetings; RA track meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student days; construction of Mars Hill College chapel by N.C. Baptist Men volunteers; annual May meeting of the General Board and all committees; March meeting of the General Board's Executive Committee; and more.

The goal: CHURCH RELATED COLLEGES AND COLLEGE RELATED CHURCHES.

THE BIBLICAL RECORDER

Associational Report -- 1988

There is an old saying, "When Baptists know, Baptists will do."

There is also an old saying, "Tell the truth and trust the people." The Biblical Recorder believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well informed which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television nd listening to more radio than they are reading. Somehow it just seems easier to watch and listen than read and think. But we must be informed and involved in the world of the Lord as Baptists do it . . if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the Recorder informs it also gives opportunity for Baptists to freely exchange points of view. Baptists do not have a hierarchical form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only $5.00 per subscription for the year. Special introductory offers are available. Please contact:

God has given us a great opportunity and a great responsibility. Let us be informed about what is happening. Let us be involved in meeting the challenge, in being a part of the answer to take the Gospel to a lost world.

CHURCH MUSIC

Musicians on Mission Through Church Music
"Touching Lives - Growing Churches"

The Music Ministry of our Association has continued to reach out to not only members of our sister churches, but also to the lost and unchurched of our communities. Much appreciation must be expressed to the Pastors and Music Leaders who have supported and encouraged the Music Ministries of both the Association and the local churches.

The past year was full of cooperation, fellowship, and outreach in the name of Christ. In January, the Association Adult Choir participated in the Evangelism Rally at Piney Knob Baptist Church. During the month of March, we had the beautiful experience of sharing in three public services the musical drama, "Crown Him Lord of All" at the Spencer Baptist Church. Twenty-three churches were represented in the cast and choir. (A wonderful example of people working together to do those things they cannot always do by themselves!)

In July, the First Baptist Church of Spindale housed our Children's Choir Camp, in which 40 children and 8 leaders participated. The camp consisted of 5 days spent in the following classes: voice, music skills, handbells, and hymnology. Our children concluded the week by leading a worship service on Friday evening. September 9, 1989 closed the Association year with a Sacred Music Festival on the courthouse lawn, featuring nineteen participants ranging from solos, handbells, piano duets, instrumentalists, children's choir, youth choir, quartets, and adult choir. Proceeds from the concessions in the amount of $155.85 were given to the Resort Area Missions Ministry. "Musicians On Mission - That All May Hear!"

RESORT AREA MISSIONS

The Resort Area Missions ministry this summer saw some new things happen.

First, the students this year were from the Association. This was the first year that local college students were involved in the ministry. Cindy Pavey, student at Isothermal Community College and a member of Piney Knob Baptist Church, and Vonda Kay Holland, student at Appalachian State University and member of Second Baptist Church, were the missionaries for the summer. They visited campers during the week, conducted campfire services on Saturday evening in two campgrounds; conducted services in three campgrounds on Sunday morning.

Second, because local students were involved, the youth of the churches seemed to pay closer attention and consider being involved in missions themselves.

Churches of the association were very supportive by having the girls to speak in services on Sunday and Wednesday evening services. This continues to be an effective way of keeping missions before our people.

Financing for the ministry continues to come from the Baptist State Convention, the Association, campground service offerings and ten percent of the

State Missions Offering that the churches collect in September.

Thanks is to be expressed to Cindy and Vonda Kay for their service; to the Resort Missions Committee and to the churches for their support. Plans are for local students to be involved in this ministry next summer. If there are students in your church that would be interested in this for next summer, have them contact the office.

Respectfully submitted,
Billy Honeycutt

EVANGELISM

Our annual Mountain Evangelism Conference and our Eastern North Carolina Evangelism Workshop again met the needs of these specialized areas of ministry.

Preparation for the "Here's Hope, Jesus Cares For You" revivals have continued throughout the year. North Carolina dates are Eastern - March 18-25, 1990; Piedmont - April 1-8, 1990; and Western April 22-29, 1990.

There are 23 churches in our association that will be participating in the 1990 simultaneous revivals.

Just a few of the things that have already been done are: (1) The Associational Steering Committee has been meeting on a regular basis working by a count-down calendar. (2) On August 3, 1989 the "Pastors: One Day Soul Winning Workshop" was conducted. (3) On August 26, 1989 a "One Day Soul Winning Workshop" was conducted on the associational level. This workshop was held at Main Street Baptist Church in Spindale, North Carolina.

Some of the things that will take place in the future in preparation for the "Here's Hope" revivals are: (1) A briefing on the Church Preparation Packet, (2) A pastors' briefing led by Mr. J. W. Hutchins, (3) A Daniel Prayer Breakfast, (4) and a Simultaneous Revival Rally will be held at Mount Vernon Baptist

Church in March of 1990. J. W. Hutchins, State Evangelism Director will speak at this meeting.

Let us continue to work and witness that we may continue to see people come to know Him. It is our prayer that baptisms will begin to rise each year.

Jerry Campbell

SUNDAY SCHOOL

On April 8, 1989 the Associational Sunday School Rally was held at Green Hill Baptist Church. Thirty-seven people were present representing thirteen of our churches.

Joe Collins, Outreach Director for the Kings Mountain ASSISTeam will lead our annual workshop October 9, at Main Street Baptist Church. The workshop this year will be directed toward preparing Sunday School and Outreach Leaders for the evangelistic people search and scripture distribution that is to be done in preparation for the simultaneous revival effort. This outreach tool is very easily adaptable to Sunday School outreach and it is our sincere hope that many churches in our association will use it to reach people for Christ.

As always, members of the ASSISTeam stand ready to help you in your Sunday School work if at all possible. Please give us a call.

Respectfully submitted,
Darrell Poole

VACATION BIBLE SCHOOL

As an arm of the Sunday School, Vacation Bible School has a unique opportunity for reaching people. In recent years many churches have had their youth and adult groups in the evening to accommodate work schedules. In doing this, Vacation Bible School now can reach all ages.

Vacation Bible School gives you the time to share Christ through concentrated Bible study, mission study, music, fun and fellowship.

On March 2, 1989 our Vacation Bible School team went to Asheville for a workshop to prepare to lead in our Association.

On April 29, we held a workshop at Spencer Baptist Church and on May 1, we held a workshop at Calvary Baptist Church with a total of 45 people in attendance.

I want to say a heartfelt thank you to the following who gave so generously of themselves to make these clinics a success.

W.M.U.

1988-1989 was another "distinguished" year for Green River WMU. We have experienced growth in number and organizations. Two GA groups were organized, one additional Acteen group, and one Baptist Women's organization. In addition to this organizational growth a new Baptist Women's group has been started at Chimney Rock, meeting the needs of a broader spectra.

Seven council members attended the State meeting in Fayetteville. Ten council members attended the State workshop at Fruitland in July.

The theme for our Associational Annual meeting was "Launching Century II, a Future to Fulfill." Linda Todd, State Acteens Consultant and Camp Munda Vista Director was our guest speaker. Our emphasis was on our youth organizations - WMU's future.

Our Mission Friend leaders were asked to host a regional GA day in Hendersonville in May. They led activities for the pre-school siblings so GAs could have their day. A special thanks to Guyanne Craig and Sandy Ellenburg for coordinating this event.

Our GAs had a "M & M" (Music and Missions) day at Second Baptist Church. Every church with a GA organization was in attendance. A commendable job from Kathy Tuttle and Terry Honeycutt. There was an emphasis on each WMU task!

Our Acteens had their "big" trip to Texas in July to the National Acteen Convention. Forty seven girls and leaders attended. A big thanks to Yvonne Holland for coordinating this event. A beautiful success was in two Acteens accepting Christ as Savior and two Acteens committing their lives to full Christian service. This is what it is all about — praise God!

Our Baptist Women not only sponsored a meaningful World Day of Prayer but also had a prayer retreat in April led by our own Suthell Walker. Appreciation to Violet Bartles and Eunice Dobbins.

Again we had a successful mission action project with the N.C. Women's prison in Raleigh. Your response of socks was overwhelming. Not only did we send the pledged amount to Raleigh, but we also distributed another 100 pair to three local missions. Equal to that response was your response to the Sheriff's department for stuffed animals expressing God's love to children in crisis situations. Last, but not least, you shared with our associational office a gift of over $900.00 to furnish our kitchen. Thank you ladies and a big thank you to Daisy Noblitt for coordinating these worthy projects.

We are growing! I thank you for realizing the need for a financial growth to support such a large spiritual growth, as you passed a motion to increase dues to $2.00 per adult member beginning in the 1989-90 church year. Thank you for loving missions enough in your heart to support it through your giving. God Bless You.

STEWARDSHIP

This past year saw a significant increase in cooperative program giving, the lifeline of missions in the Southern Baptist Convention, and this in the face of reports of decreases in giving in other places. We are thankful for the spirit of progress and faithfulness in stewardship in our Association.

This last year your stewardship director attended the Key Leadership Conference at Ridgecrest for the purpose of planning goals and programs. As a result, the pastors and other key leaders in the churches participated in a one-night program, THE GREAT CHALLENGE IN OUR ASSOCIATION, on May 25th at the First Baptist Church of Rutherfordton. The aim of the program was to discover areas of ministry which we as an association could undertake. A secondary aim was to expose pastors and key leadership to the GREAT CHALLENGE program which is really designed for the local church and to enable them to conduct the program in their own churches.

On October 9-12 your stewardship director is scheduled to participate in a workshop at Caraway on CHRISTIAN MONEY MANAGEMENT which is another of several dynamic stewardship programs available to local churches through the Stewardship Department of our state convention. It is our hope to again schedule an association-wide program for pastors and key leadership in the area of Christian Money Management to enable them to plan and execute this program in the local churches. This seems to be one good way we can get the excellent material available through our convention to the local churches.

Our cooperative giving through the churches of the association for January 1 through June 30 of this year amounted to $112,277.39. This was a significant increase over our cooperative giving for this same period last year which amounted to $109,338.51. We thank God for this increase, and we urge the members of our churches to an even higher level of giving, remembering that the average member of a local Southern Baptist Church gives only about one fifth of the tithe. THINK WHAT WE COULD DO IF WE WOULD ONLY BE FAITHFUL TO TITHE!

Charles Nanney
Stewardship Director

DIRECTOR OF MISSIONS REPORT

One of the opportunities I've had since becoming director of missions is to be involved in studies with Golden Gate Theological Seminary toward a Doctor of Ministry degree. The seminars I've participated in have richly helped me in doing this ministry more effectively and with various insights. I am grateful for that opportunity. I have made the decision that the seminar work is all I will complete. I will not be receiving the Doctor of Ministry degree. Thank you for allowing me to have this opportunity.

"Missionary at Heart" was the theme for our annual meeting last year. Recently I sat down and wrote out a number of the events and activities the Association sponsored this past year that reflects that theme. Let me share some of these with you.

Seeking to offer guidance for the youth of the churches, the Youth Council has conducted some outstanding events this year. One of the encouraging words I hear from folks in the churches is, "I appreciate what you are doing for the youth." Thanks to Mike Snelgrove and the Youth Council, these events have happened. Keep it up!

The W.M.U. has led the way in implementing last year's theme with training sessions, inspiration at the annual meeting, recognition of achievements among children and youth, providing stuffed animals for the county police to give to children in times of tension and a trip to the National Acteens Convention. Thanks Wendy for leading the Association to live out this theme.

Tonya Hill guided us into areas of music ministry that were richly blessed by our Lord. The Summer Sacred Music Festival in September was a special time of sharing among people from our churches. The children's choir camp saw the excitement of children as they studied music, sang and played instruments. And words cannot describe the impact of the "Crown Him Lord of All" presen-

tation in March. In my years of being in this Association, nothing has impacted this community with the gospel with the power that this presentation did. Truly, this was being "Missionary at Heart!"

During the spring, the Hospice organization used our facilities for training volunteers. I was especially pleased with this. With our office we have an opportunity to provide more of these kinds of services.

In August of 1985 the Association purchased the building we use as our office. In September, the loan was paid off. Below is a listing of the history of this loan:

Purchase price of building	$47,000.00
Amount raised for down payment	15,000.00
Amount financed	$32,000.00
Principle amount paid	$32,000.00
Interest paid	12,196.39
Total paid on loan	$44,196.39

Also, at the time of purchase, the churches raised $14,000.00 for renovating the building. Congratulations, Association, for your faithfulness to meet this obligation.

It was gratifying to hear your questions, feel your compassions and see your support of assisting Main Street Baptist Church with their bond indebtedness. You have expressed being "Missionary at Heart!" not only by Foreign, Home, State and Association missions, but also by helping a sister church. You will see a statement of contributions elsewhere in this book.

The Evangelism Committee has worked in leading and guiding us as an association to prepare for the "Here's Hope" simultaneous revivals next spring. Some 23 of 31 churches are planning to have their revival April 22-29, 1990. This is going to be a significant evangelistic outreach to our community. I'm looking forward to the April 30, 1990 Executive Committee meeting when we will hear reports of all that God has done in our churches.

At the Great Challenge banquet in May, those persons present listed the following items as priorities for our Association to sponsor and fund: Church Leader Training, Outreach Ministry, Ministry for Youth, Family Life Ministries, and Special Ministries. Some of these are in process, others are the challenge to provide.

These are some of the ways our Association has been "Missionary at Heart" this year. We move into this new Association year to live out a new theme "United in Hope." As we do, we praise and thank God for his provisions, blessing and presence. We commit ourselves to service together as Green River Baptist Association.

Billy Honeycutt

FAMILY MINISTRY REPORT

Let us remember that the "family unit" was in place even before the church if you go back to the time of Adam and Eve. God believes in the family and ministers grace to and through the family.

Is your church taking serious focus upon lonely single adults, broken families, ignored senior adults? Is your church seeking to provide stimulating and Biblically-grounded patterns for families to follow in maturing? Valuable resource materials are available through the Family Ministry Department of the Southern Baptist and Baptist State Convention of North Carolina.

Consider, in 1989-90, having a Single Adult Day (possibly in September), a Senior Adult Day (in May), and a Christian Home Emphasis (in May or June). Consider also having a Mother's Morning Out or a Couples Night Out

throughout the year. Some churches have found "Parenting in Grace" to be a good course of study for parents seeking to offer a stabilizing Christian environment. A quarterly Fun Night for Families with recreation, music, food, and devotional time can be very effective in keeping families involved with spiritual matters.

This past year the Associational focus, once again, was on Senior Adults with a Rally in August. The theme was "Making the Most of Everything" and the program involved a covered-dish supper, messages by Ed Coates of the Baptist Foundation and Bob Shephard of First Baptist Church of Morganton.

An "Abuse Workshop" is being planned to raise the awareness level and equip persons for handling these situations. This will be likely in the Fall of 1989.

ASSOCIATIONAL CHURCH TRAINING REPORT

Church Training has had a name change. We are now Discipleship Training. New forms have been developed so that all training, short term and long term, can be reported. Long term training includes the quarterly materials that are available on your literature order from Nashville; short term training includes courses in the church study course system, both group and individual study. Short term training includes anything that is used to equip members toward better and more complete discipleship. At least four short term training events should be available to every church: foreign mission study, home mission study, January Bible study, and the Baptist doctrine study. If you need assistance in any of these areas, please contact the associational office.

The Pleasant Hill Church is to be commended for their leadership in the Children's Bible Drill. This church has sent children to the state drill for the past two years. The 1990 Bible Drill materials are now available in the associational office.

I want to thank all the churches of the Green River Association for their work in training and equipping disciples. There is nothing more exciting than watching Christians grow in discipleship and service for the Lord Jesus Christ.

MISSIONS DEVELOPMENT COUNCIL

The Missions Development Council has had several meetings this year to consider possible mission projects for the Association. Most of our time and effort has been devoted to the mission project involving Main Street Baptist Church.

Your Council took the initiative in approaching Main Street Church concerning their financial predicament and, with their permission, decided to present their situation to the Association for approval as a mission project.

With genuine appreciation for the witness and ministry of the Main Street Baptist Church and out of deep concern for their future service to the Kingdom of God, a covenant was negotiated which was approved by the Main Street congregation. This covenant along with a recommendation from the Council "that the churches of the Green River Baptist Association be presented with the opportunity to assist with their financial support the Main Street Baptist Church in fulfilling their bond indebtedness for the next three and one-half years" was subsequently approved unanimously by the Executive Committee.

The response of the churches to this mission project has been most gratifying and we are grateful for every gift. However, if this associational mission project is to be concluded successfully, the continued support of our churches will be needed until the Main Street Church's indebtedness is retired.

NOTE OF THANKS FROM MAIN STREET BAPTIST CHURCH

We want to express our thanks unto God for our director of missions, Billy Honeycutt and his insight and burden of a mission project for our association in assisting us here at Main Street with our bond indebtedness.

We also express our thanks for the Mission Development Council for their acceptance of this vision and approaching us about this project. We appreciate the kind and thoughtful spirit in all of our discussions and planning together in working out the covenant agreement between the association and church.

Then we are most grateful for the acceptance of this agreement by the association and each of our sister churches for your financial and prayerful support in this project. Because of your loving support we have been able to meet the bond payments for this year. We are sure the Lord will bless you for support in any way.

Most of all we are thankful unto our Lord for His putting this burden upon Brother Honeycutt and all of His guidance throughout our working together. We continue to depend upon the Lord's leading throughout the duration of this covenant agreement.

We also wish to thank you in advance for your continued prayers and support in our ministry together for our Lord.

Love in Christ,
Main Street Baptist Church

YOUTH DIRECTOR'S REPORT

Ministries which begin with a heartfelt burden from God are always exciting and most often successful. While attending a youth event at Second Baptist Church, Rutherfordton in 1987, my heart was moved as I felt the need to become personally involved with youth ministry in our association. I then shared this burden with the Director of Missions not knowing that the opportunity for such a ministry was already available. After being introduced to the associational youth council we began working together in an effort to plan a calendar of meaningful activities which we felt would minister to the needs of our youth.

On March 8, at least 150 youth and youth leaders attended our first youth rally at the First Baptist Church of Rutherfordton. While I led a small group session introducing a Christian perspective on contemporary music, Bruce Caldwell gave youth a new look at true spiritual development. After a pizza supper, Fred Davis spoke to all of our hearts with a testimony of his personal experience of teen suicide.

August 5, an unusual fun day was planned at the home of John Crowder. With games, horseback riding, and some great hot dogs some 90 youth and youth leaders were treated to an exciting day on the farm. Much planning and hard work were needed for this particular event. However, with a lot of help from Mr. Crowder as well as the Director of Missions, this day was a tremendous success.

August 10, "Trinity" was invited by our resort area missionaries to present a concert at the Second Baptist Church of Rutherfordton. Some 100 attended this well received presentation as we were ministered to by one of the most up and coming groups in the nation.

Finally, August 25-26, Reg Alexander led a "back to school preparation rally" at Spencer Baptist Church in Spindale. The youth were challenged to make some important decisions concerning their relationship with Christ as the new school year began. Students as well as one of our teachers also came forth to share their testimonies of their own personal preparation for the challenges of school.

We are thankful for the decisions which were made this year. However, this should be only the beginning as we take the lessons which we have learned throughout the year and accept the challenge to once again provide our youth with not just something, but something special.

Michael Snelgrove

- Rev. Ernest Poston, chairman of the Missions Development Council, recommended from the Council that the Association take on the following mission project, and that this was only being presented at this time for a motion and second in order to be able to have discussion and that the final vote would be at the regular quarterly meeting of the Executive Committee in January 1989.
- The Recommendation:

  That the churches of the Green River Baptist Association be presented with the opportunity to assist with financial support the Main Street Baptist Church in fulfilling their bond indebtedness for the next three and one-half years and that the covenant between the Main Street Baptist Church and the Green River Baptist Association concerning said financial assistance be approved.
- After much discussion and questions concerning this matter, the meeting was adjourned with the Rev. Curtis Gilstrap leading in prayer.

NORTH CAROLINA BAPTIST COLLEGE REPORT - 1989

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 807! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them. During the 1988-89 school year there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist colleges.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

Christian Education. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

Baptist Students. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents can help students with their life plans when they guide them toward Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

Cooperative Program. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

1989: It Was a Very Good Year

This marks the 38th year of ministry by the Baptist Retirement Homes to the Baptist Older Adults of this State.

Charged in 1951 with the mission of providing residential care for "Aged Saints," the Homes provide care for Older Adults in five locations across the state (Albemarle, Asheville, Hamilton, Winston-Salem, and Yanceyville).

A new continuing care retirement community, Brookridge, located in Winston-Salem will open for operation in the fall of 1989.

Recognizing the growing need for quality residential care for Older Adults, the Board of Trustees of the Retirement Homes has formulated a three-pronged long-range plan to meet this need:

* To work with churches and associations in the development of regional continuing-care retirement communities in the West, the Piedmont, and the East.

* To work with churches and associations in the development of "free-standing" residential housing (independent-living units, assisted-living units, and nursing-care units).

* To work with churches and associations in the development of alternative forms of residential care for Older Adults (Respite Care, Adult Day Care, and Home Health Care).

One of the greatest challenges North Carolina Baptists face as they move into the 21st century is the question of how residential-living situations for

Baptist Older Adults are to be provided.

With the support of North Carolina Baptists, the Retirement Homes sees this challenge as a wonderful opportunity for ministry.

Annual Associational Report
Baptist Children's Homes of North Carolina, Inc.

Michael C. Blackwell, President

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House, the first home for teen-age mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House, where five teen-age mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than $1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

THE BIBLICAL RECORDER
Associational Report—1989

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the Biblical Recorder is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The Recorder is that source; nothing else matches the paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The Recorder is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the Recorder in lieu of their weekly newsletter. Watch for more details in the Recorder in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more—that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Not only subscribe to and read the Recorder yourself but please speak a good word for the paper and urge others to subscribe and read it also. THE NORTH CAROLINA BAPTIST FOUNDATION
Annual Report to Associations
1989

"Strengthening for Greater Service" had special meaning for the trust agency of the Convention during the past year. Noting the progress made during its 69-year history in undergirding the financial support for the Convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to these causes.

With concern that it performs its mission efficiently and that it involves more Baptists effectively in supporting the cause of Christ, the Foundation carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administrative offices.

Since its staffing in the early 1950s, space for the Foundation has been provided in the Baptist Building. With the consistent rapid growth in assets managed and services provided by the Foundation, the current space has become inadequate to properly perform the on-going work of the agency. We are pleased to report that the majority of the funds necessary to construct the new building have been secured. The new building will be ready for occupancy by the end of this year.

In engaging in this project, it has been of utmost importance to our Board of Directors and Staff that the on-going responsibilities of the Foundation not be neglected during the campaign. Indeed, the need for increased financial support for Baptist institutions, missions, and other ministries has not diminished, and has remained our first priority. It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. Seeking to fill this role, the Baptist Foundation is the only entity which receives endowment gifts for any and every Baptist cause. Through trust and endowment funds established by individuals, churches, and associations, the principal is invested and income is paid regularly and perpetually to the cause or causes named by the donor.

Total assets of the Foundation is now approaching $17 million, of which $3.8 million was added in 1988 alone, making this the greatest year of growth in the Foundation's history. Last year, $1,258,775 was paid to Baptist work and to individuals designated in charitable remainder-type trusts. This latter agreement provides for income to be paid to the donor (or other individuals) for a specific period of time and then to charitable causes thereafter. Through this method of making gifts to Christian causes, the donor is assured that heirs are not neglected and that Christian causes will eventually benefit from the estate.

We are continually grateful for the support of Baptists across the state who support the mission and ministry of the Foundation. We welcome the opportunity to serve.

Respectfully submitted,
Edwin S. Coates
Executive Director

Report to the Associations
Baptist Hospital
1989

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the AirCare helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView Computer System, developed jointly by the Department of Radiology and A T & T, digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia which carefully focuses microwaves to raise temperatures inside a tumor to 102 degrees to 105 degrees Fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist

Hospital came from almost every county in North Carolina, from thirty-five states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs, as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical Center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received $668,937.39 through the Cooperative Program and $303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

Respectfully submitted,
Rev. Rex Collins

STATE MISSIONS REPORT

More than fifty-one percent of the six million residents of North Carolina are not members of any church. State Missions is our local churches, associations, and state convention working together in seeking to reach these people with the good news of salvation in Jesus Christ.

State Missions helps to strengthen the ministry of local churches and associations through associational development, church extension, pastoral aid, Christian social ministries, and seminary extension. Seven Baptist colleges, Fruitland Baptist Bible Institute, Caswell Assembly, Woman's Missionary Union, Baptist Men, and the Christian Action League are also supported by State Missions.

In addition, the Division of Missions of our Baptist State Convention also provides many and varied direct ministries to prisoners; migrant, ethnic and language groups; tourists and campers; the illiterate, and the mentally, visually and aurally handicapped.

State Missions also helps to support Associational Missions throughout our state. Under a new agreement, 9.5 percent of the offering received for State Missions from each association is returned to the association. Green River will use this amount returned to help fund our Resort Area Ministries in the Lake Lure - Chimney Rock area.

Your regular gifts through the Cooperative Program and your special offerings for State Missions are what make it possible to give hope in Jesus' name to so many people.

SOUTH MOUNTAIN BAPTIST CAMP
1989 Camp Report

This has truly been a year of activity at South Mountain. As we conclude 32 years of ministry here at "the camp," we must pause to breathe a heartfelt "thank you" to our blessed Savior Jesus Christ, and also to the many friends of

the ministry of South Mountain Baptist Camp and Retreat Center.

During the Winter and Spring the Faith, Fellowship, Oak Grove, and Turentine Churches of Statesville along with the Sweetwater Church of Hickory, and the Lincoln Avenue and Antioch Churches of Lincolnton gave of their time and funds to help restore and renovate some of the cottages. Other individuals gave their time during work days in preparation for the 1989 camp season.

The summer camp season consisting of 8 weeks was attended by a total of 1,161 girls and boys. Of this number, 166 rededicated their lives to Christ, 78 came accepting Jesus as Savior and another 25 came feeling God was leading them into full time Christian service. During the week of June 18-24, the camp was leased to the N.C. West District of the Wesleyan Methodist Church. They reported another 150 decisions. Counting all groups your camp was used by 2,361 men, women, boys and girls and there were a total of 419 decisions reported in 1989. We know that you join us in rejoicing at what the Lord has done through the ministry here at South Mountain.

Please keep your camp and retreat facilities in mind when planning this year's activities for your total church family. God bless you, and we need your prayers and support as we look ahead to 1990.

In His Service,
T. A. Lineberger, Director

Mrs. Rose Ann Shehan resigned as Associational Secretary effective September 8, 1989. She had served in this position for almost ten years.

Many of our churches reached or exceeded their goals for the Lottie Moon Christmas Offering.

On July 31, 1989 a motion was approved by the Associational Executive Committee to permit the budget committee to pay the remaining amount of $2,261.00 on the building debt if the cash flow would allow it. At the Executive Committee meeting September 25, 1989 Mr. Reid Hill stated the loan had been paid in full.

For the first time, the Association was represented by a number of young ladies and leaders at a National Convention. Our Acteens attended the National Acteen Convention in San Antonio, Texas in July, 1989.

A bond of love seemed to bind our churches together in missions when upon a recommendation from the Missions Development Council that we help one of our sister churches with their church indebtedness. Nothing but a loving concern was exhibited from everyone present. Under the leadership of our fine director, we are going to see Main Street Church come from under this struggle. We as an Association are looking forward to the "Here's Hope" 1990 Simultaneous Revivals.

Lucille Bailey

As of March 1, 1990 the Rev. Paul W. Powell, pastor of Green Acre Baptist Church of Tyler, Texas will become President of the Annuity Board. Dr. Darold H. Morgan will retire at that time after eighteen years as President. Powell will join the Annuity Board October 16, as President-elect.

The Annuity Board now holds in the retirement plan 2.6 billion dollars.

There are still some of our churches that have not put their pastors in the Annuity Board. We hope you will look into this matter soon.

VACATION BIBLE SCHOOL

Vacation Bible School has a unique opportunity to reach people who are not otherwise a part of our churches. If these names are given to our Sunday School leaders, they can provide an invaluable prospect list. Many of our churches who have their Vacation Bible School in the morning are having their youth and adults in the evening to accommodate work schedules.

Vacation Bible School gives you time to share Christ through concentrated Bible study, mission study, music, fun and fellowship.

On March 8, 1990 the Association VBS team went to Brevard for training in leading the association VBS workshop.

On May 3, 1990 we held a workshop at First Baptist in Rutherfordton with a total of 47 people in attendance. Among those in attendance was a youth team from Pleasant Grove who came to prepare themselves for a VBS/Mission trip to Georgia. Congratulations to Gary Garner and his youth for this missions outreach.

I want to say a heartfelt thank you to the following who gave so generously of themselves to make our clinic a success.

REPORTS

WOMAN'S MISSIONARY UNION

1989-90 was another successful year for Green River W.M.U. This is the eighth consecutive year we have achieved the status of "distinguished."

We ended the 89-90 year with a Mission Adventure Recognition Service recognizing 54 girls. This service was held September 30, 1990. The G.A.'s also attended a Missionary Birthday Party in May with 91 girls and leaders present, representing 12 churches, at Pleasant Grove. Second Baptist hosted the Acteens in a retreat featuring Noah's House, the home for abused children. The Baptist Young Women were led by Suthell Walker in a prayer retreat in February with 15 present. We were honored by the presence of Donice Harrod, 2nd V.P. of N.C. W.M.U. who led us in a Baptist Women Prayer Retreat in April at Chimney Rock.

Our Mission Action project for the N.C. Women's Correctional Prison yielded three times the puzzle books requested. The remaining books were distributed to local Children's Homes and other agencies. Various churches responded to the need of sponsoring Broughton patients. And once again, we contributed to Path.

Our Annual Meeting was a worshipful experience featuring a distinguished panel interpreting our theme: "In His Name, Reach, Teach, Touch." The panel included, Tony Hamrick, Youth Drug Abuse Councilor, Susan Hendrick, Counselor at R.S. Central, Kim McWhorter, Student member of PEP Club (People Encouraging People) and Rev. John Perry, Pastor of Southern Baptist Church. The Keynote speaker capped the evening with slides and inspirational thoughts from his Brazilian Partnership Mission trip, Rev. Joe Owings, Pastor of Brookleigh Baptist, Gastonia, N.C.

MUSIC

"Musicians on Mission...That All May Hear"

Our Association continues to recognize the importance of music in sharing the Gospel of Jesus Christ. The importance of working together in a spirit of love and cooperation that reaches beyond the boundaries of "opinions" has been touched through the ministry of the Easter musical drama, "Crown Him Lord of All." Four services, involving 98 people, representing 21 churches were held at Spencer Baptist Church. Our thanks to the Spencer Church family for their generosity in sharing their

home. We also have a costume wardrobe available to the churches as a result of the generosity of local industries and individuals. Churches may check out costumes for adults and children through the office.

The future holds ministry opportunities particularly for our youth and children on the Associational level. More churches are reporting increases in their music enrollment and more emphasis is being given to worship planning. Our Association has received the Standard of Excellence Diploma for the past year. Thanks to all who made this achievement possible.

Respectfully Submitted,
Tonya D. Hill

BAPTIST HOSPITAL REPORT TO ASSOCIATIONS 1990

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession... One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement, from Dr. Charles P. Nicholson, Jr., Baptist hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this $190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion, is the Day Care Center for children of medical center employees. Under construction is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before.:" In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodea, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 21,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. These patients came from all across North Carolina and from thirty-four other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received $692,946.24 through the Cooperative Program and $271,361.24 through

the Homes and Hospital Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

THERMAL BELT BAPTIST YOUTH SHELTER

Since 1975, this Association, along with Polk and Sandy Run Associations, have cooperated with the Baptist Children's Homes of N.C. in sponsoring the emergency care home in Forest City known as the Thermal Belt Baptist Youth Shelter. This shelter has provided a place for boys to go on an emergency basis when their home life was not safe for them. In September of this year the Shelter closed after the Finance Committee of the Baptist Children's Homes trustees decided that reducing expenses was necessary. In order for you to know the rational the Children's Homes used in making this decision, below is a letter that the three Directors of Missions of the associations received from Dr. Michael Blackwell, president of the Children's Homes.

Billy Honeycutt

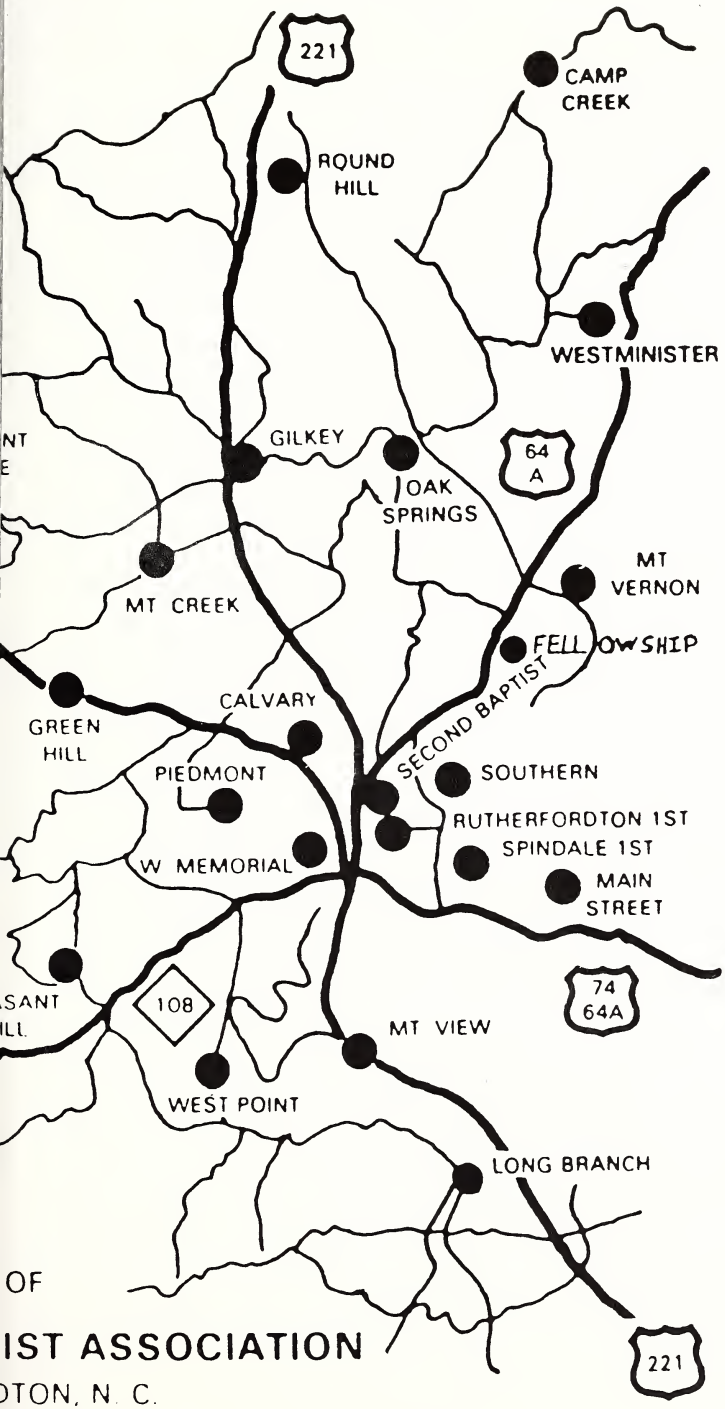
"Please let me share the anguish I feel in the closing of the Thermal Belt Baptist Youth Shelter. A significant part of that anguish grows out of my appreciation for the years of sacrificial service and generous provision Green River, Polk, and Sandy Run Associations, churches, and a strong core of dedicated individuals have invested in this ministry.

A primary reason for the closing is due to a distressing financial circumstance that has surfaced. We simply must reduce our expenditures by one million dollars ($1,000,000) for the coming budget year. This shortfall has come through a variety of circumstances.

One factor is the inadequacy of the North Carolina Missions offering and the subsequent Homes and Hospital Offering. Since 1978 these offerings have produced approximately one-half of their goals. A second factor is the timing of special offerings. Our last Homes and Hospital Offering was gathered this past May and our first promoted Thanksgiving Offering will not be received until November, 1991. This means that we must operate for eighteen (18) months without a special offering. A third factor is that on August 20, I received word that our Cooperative Program allocation and other revenues would be cut for the coming budget year.

GREEN RIVER BAR

RUTHERFO



OF

IST ASSOCIATION

OTON, N. C.

For some time, I have been aware that there was the potential for drastic actions to become necessary. But it was actually at the meeting of the Finance Committee of our Trustees on August 21 that it became apparent that significant reductions must be made immediately. Our expenses for the year would exceed our income by three million dollars ($3,000,000). The maximum that could be taken from endowment would be two million dollars ($2,000,000). Thus, with great distress, the immediate emergency decision was made to discontinue funding for the emergency care shelters at Charlotte, High Point, Henderson, and Forest City and to close our office facility in Raleigh. Additional action was taken calling for budget reductions at the facilities that will continue to operate on the four (4) campuses.

Most regretfully, with the decision being made on August 21 and the necessity of having the reduction in place by October 1, and the beginning of our new budget year, we were required to operate within a time frame of forth (40) days. I deeply regret the extremity of the circumstances and apologize for the necessity of immediate action. These conditions made it impossible for us to obtain the face-to-face consultation with you that would have been so meaningful.

In the enormity of all that is happening there is one bright note I want to share. While we are being forced to close certain facilities, our commitment is to continue with no reduction in the number of children served. This will be accomplished by maintaining emergency care programs on the campuses where they can be operated with greater economy and efficiency.

In closing, let me express my heartfelt appreciation for the tremendous contribution you have made to the lives of neglected, troubled children. While our formal relationship through the Forest City Shelter will not be continuing, our partnership in ministry will most certainly continue. May our Lord bless you as you pray, give and share in this task He has given to us all."

Sincerely,
Michael C. Blackwell,
President

EVANGELISM

Mountain Evangelism Conference was held in October, 1989 at Ridgecrest. "Here's Hope, Jesus Cares For You" revivals were conducted on April 22-29. The Evangelism Committee will be meeting in November considering other events. Witness/Giving Life seminar was held on September 27, 1990. This was a combined seminar of Stewardship and Evangelism.

STATE MISSIONS REPORT

State Missions is the means whereby Baptists of North Carolina reach out in the name of Jesus Christ to change the lives of many people through the many ministries of the Division of Missions of our Baptist State Convention.

These ministries include Associational Development, Brotherhood, Chaplain and Language Ministries, Church Extension, and Special ministries to the hearing impaired, the blind, and the mentally handicapped.

In addition, our offerings for State Missions also help to support our State Baptist Assembly at Fort Caswell, the Christian Action League, Christian Higher Education, and Fruitland Baptist Bible Institute.

All of these ministries are made possible by your regular giving through the Cooperative Program and your special gifts to the State Missions Offering and are always in need of your continuing faithful prayers.

MISSIONS DEVELOPMENT COUNCIL

The Missions Development Council held eight meetings during the year for the consideration, discussion, and planning of several projects and is pleased to report several significant accomplishments. The Main Street Baptist Church Mission Project continues to be strongly supported by our churches and all bond payments have been made as due. We are deeply grateful for the gracious and generous response to this project. This project will continue through March of 1992.

The response to the Hugo Relief project has been most gratifying, with several trips having been made to Manning, S.C. by groups who have given time and effort to tree and brush removal and roof repair. We express our appreciation to those who participated in this project and to all who contributed financial support.

After more than two years of prayer, planning, and several meetings with the administration, we now have a Baptist Student Ministry at Isothermal Community College. This ministry is under the direction of a Student Ministries Council elected by the Association. The student organization is duly chartered, has elected officers, is meeting regularly, and is functioning with the official endorsement of Isothermal Community College. This is indeed an answer to prayer. The Student Ministries Council, the participating students, the faculty sponsors, and the College are to be commended for the success of this project.

The newest project proposed to and approved by the Executive Committee is a Literacy Program. Thirteen people have indicated an interest in literacy tutor training and plans are being made for a literacy workshop to be conducted in our association by State Convention leaders. We are thankful for the enthusiastic response to this project.

Our thanks to every member of our council and to all who have worked and cooperated with us on these projects and to all those who have been instrumental in implementing them.

SOUTH MOUNTAIN BAPTIST CAMP

Now completing 34 years, South Mountain Baptist Camp is still reaching out to the young people and adults in the churches of Region Eight.

There were 1200 R. A.'s, G. A.'s, Acteen's, and their counselors attending during this years' regular camping season. Another 1212 used the camp facilities for retreats, swimming, picnics or other special events. These two figures show the balanced ministry of South Mountain to our churches.

This year's theme "Glorifying the Father" proved to be a real challenge. Every day youth, counselors, and staff were taught in Bible classes, chapel times, and worship experiences the importance and responsibility of bringing honor and glory to our Heavenly Father through our everyday lives! We were challenged to bring "Glory to the Father" by giving our lives to Him. There were 71 responding to this challenge by accepting Jesus as their personal Savior. We were challenged to bring "Glory to the Father" by living daily in a way that will bring glory to Him. There were 180 plus young people, counselors and staff responding by rededicating their lives to Jesus. There were another 10 who felt they were being led to "Glorify the Father" by accepting the call into full time christian vocation.

We were all challenged that to "Glorify the Father" we must have a burden and vision of a world that is lost in need of a Savior. Through special speakers and a daily mission challenge we were reminded of our responsibility to go--to send--to support--and to pray for all efforts to win the world to Christ.

We want to take this opportunity to thank God for all He has done here these 34 years. We are looking forward to working with you this coming year. Please pray (1) for God's leadership this coming year, (2) for God's people to support South Mountain financially this year, (3) for a renewed interest in "the ministry of camping". Every young person should have the life changing experience of attending camp!!

God Bless You,
T. A. Lineberger, Director

ANNUITY BOARD REPORT

The 1990's continue to bring new challenges and opportunities to the Annuity Board members. During the first year of the new decade two major transitions occurred;

1. Paul W. Powell succeeded Darold H. Morgan as president.
2. The Annuity Board began a relationship with the Prudential Insurance Company of America to provide life, medical and disability coverages.

The new president has a two-fold dream for the Annuity Board as follows:

1. The annuity plans will permit members to retire with the dignity they deserve.
2. The life and health programs will provide the best possible protection at the lowest possible cost.

At the end of the second quarter of 1990, 65,258 Southern Baptist Denominational employees had active retirement accounts with the Annuity Board. Those participating in the Church Annuity plan showed 34,4333. There still are hundreds of ministers and church employees who are not participating in this great retirement plan.

Only 18 of Green River's 31 churches are participating. The other 13 churches are urged to consider the plan for their pastors retirement.

It is reassuring to remind ourselves that the ministry of the Annuity Board is "to serve those who serve the Lord".

Respectfully submitted,
Suthell Walker

RESORT AREA MISSIONS

The ministry of the association in the Lake Lure/Chimney Rock area continues to be received well by the campground owners and those camping in the area. This summer Stephanie Wilkerson and Jenny Robbins of Spencer Baptist Church lead the Resort Area Missions work for the association. Visiting with campers, worship services, day camps and campfire services were just some of the ways they ministered this summer. A big "thank you" to those churches that helped the girls in a Saturday night service, those churches that had the girls to speak in a service and to the many who shared many encouraging words about this ministry.

The concept of Resort Area Missions has been to provide worship services for ten weeks in the summer for five campgrounds. The camping season begins in mid-April and goes until the last of October. It seems to me that our concept of this ministry needs to broaden to include services for some of these weekends that precede the summer and follow the summer. If so, it will be an opportunity for people in our churches to be a part of this ministry. The Resort Area Missions Committee will be looking at this during this year.

I cannot stress enough the importance of having the students in this ministry that God desires. Two things you can do: Pray that God will lead the committee as they seek students next year and be sensitive to students, male or female, in your church that could be considered for this. You may need to speak to a student. The process for finding the students begins in January, so be praying for this ministry. It is not just a ministry that is done in the summer, but much is done before hand in preparation for it.

You will notice in the financial report below that over $1400 for this ministry came from the State Missions Offering. Each year the Baptist State Convention totals the amount given by the churches to the State Missions Offering and returns 9.5% to the association. That money is used in the Resort Area Missions. Thank you for your continued support of this ministry.

Billy Honeycutt

DIRECTOR OF MISSIONS REPORT

As another year of Associational Missions work concludes, as I reflect on the year the major accomplishment I see is the continued and growing involvement of people in the various ministry and mission opportunities of the association. Many people in our churches participated in the "Here's Hope" Revival Emphasis in the spring. Jerry Campbell and the Evangelism Committee very ably lead us in preparing for the emphasis. Once again the presentation of "Crown Him" touched this community in a powerful way. Tonya Hill lead the choir and cast in a cooperative and friendly manner. Our other program directors, Michael Snelgrove, Wendy Case, Yvette Poston, Charles Nanney, Ernest Poston, Dean Baughn, Darrell Poole, Jim Goode, Bruce Caldwell, and John Perry have given of time and talent during the year. These people are the ones who make some of the most significant contributions to the association that you are affected by.

This past year also saw the implementing of some new visions as well as some long anticipated dreams. Through the work of the Missions Development Council, a Baptist Student Union at Isothermal Community College, Literacy Missions training and helping some folks in Manning, S.C. recover from the damage of hurricane Hugo took place. You will read of these in the Missions Development Council report. But the point I wish to make is the involvement of many people from the Association in these projects. That is one strength of any association, people involvement. But also, I keep encountering people who share ideas of new ways of involvement. The association will seek to evaluate each of these as to their feasibility. For example, some folks have indicated interest in a Children's ministry in the association, similar to the youth ministry that is functioning so well. So, at this annual meeting you will be asked to approve a Children's Ministry Director and Children's Council. That has great possibilities for the association. People being involved is what makes the association function.

This annual meeting is certainly a sacred and holy time for the association as we celebrate 150 years of ministry together. It has been a special blessing to have six of the seven former directors of missions to be with us. The history that Mrs. Lucille Bailey has prepared will be a treasure piece for years to come. Thank you Lucille for your dedication to this task. And I want to express special appreciation to the 150 year planning committee that has worked diligently for well over a year to prepare for this Annual Meeting. Rev. Charles Zitzman has given much time energy and talent in this planning process, especially in preparing the video; Carrie Addis, Alvin Dixon, Violet Bartles, Sarah Morgan and Lucille Bailey have given much to the association in this year. THANK YOU.

As we are now in the nineties, let us commit ourselves to the task of missions and ministry that proclaims the name of Jesus and holds Him before people. Thank you for your support and prayers.

Billy Honeycutt

YOUTH REPORT

The youth ministry of the Green River Baptist Association continues in its effort to be a blessing to the young people of our churches. With the success of last year still fresh on our minds the youth council prayerfully began perparation for 1990 early in the year with our first meeting on January 6.

The first youth event of the year was a concert by Becky Hyde at Second Baptist Church on March 24. The youth were treated to a meal followed by the music and testimony of our talented guest. The event was well attended and supported by our churches.

Perhaps the highlight of the year was the 2nd annual "Farm Day" held at the home of John and Sherree Crowder on June 2. With horse back riding, games, the dunking booth (with the Director of Missions in it), plenty of food and nearly 200 in attendance one can easily see why this was a day to remember. Our thanks go to the Crowders for making their farm available to us. However, even with all of the fun and food I personally believe that the fellowship of the different churches and the opportunity to share Christ with all the kids before the evening meal were the greatest blessings of the day.

Later that same month on June 23 our churches were given a special opportunity to become better equipped in their individual youth ministries. Jim Cashwell brought his youth from the St. Andrews Baptist Church of Columbia, South Carolina to Southern Baptist Church to guide

us in the setup of the Youth Discipleship program. This was followed by a youth rally led by their youth choir.

The final event of the year was held on July 31 under the direction of the resort area missionaries, Stephanie Wilkerson and Jenny Robbins. Adaville Baptist Church was gracious in allowing us to use their gym and fellowship building for the fun and games. Brother Earl Tomblin did an excellent job directing the preparation of a wonderful meal. Afterwards over 140 youth filed into the church's sanctuary for a time of worship and fun as youth from several of the churches displayed a variety of talent. Later Buddy Freeman of Gardner Webb College closed the service with a challenge to put Christ first in our lives as many were preparing for a new year at school.

Finally, I am grateful to the churches for their support this year as well as for the hard working individuals of the youth council. Our director of missions also worked diligently with us as we tried once again to provide a variety of meaningful activities. I would also like to thank the youth of this association without which the labor would be in vain. Most importantly we are grateful to the Lord Jesus Christ for giving his life and for providing us with a message of hope and we ask for His direction as we once again present that message to our youth in 1991.

Grace,
Youth Program Director
Mike Snelgrove

STEWARDSHIP REPORT

This year was a good time of stewardship cooperation in the churches of the Green River Baptist Association with our level of giving showing a small increase in missions contributions the first part of the year, but experiencing a slight decline for the last part.

Many individual contacts were made by this department with the pastors and other leaders of the churches, with some remarkable testimonies marking their positive experience in using resources offered to them.

On August 17-18, about fifteen persons from the churches were involved in a CHRISTIAN MONEY MANAGEMENT SEMINAR at the Green Hill Baptist Church with several couples and individuals being introduced to the techniques of taking control of their financial lives in the name of Our Lord. We are grateful for their participation and for the lasting benefits which will accrue from these hours of training.

We offer TWO CHALLENGES to the leadership and members of the churches of the Association:

1. TAKE ADVANTAGE OF THE SPLENDID RESOURCES BEING OFFERED BY YOUR STEWARDSHIP DIRECTOR AND COMMITTEE. They are being constantly trained and updated by our Stewardship Department of our Baptist State Convention and are most eager to come to the assistance of any church or pastor at any time with advice and support.

2. INCREASE THE LEVEL OF YOUR GIVING. This is a time of change and soul-searching among Southern Baptist, but it must not be a time of abandonment of our great missions program. The co-operative program remains a strong lifeline of support for those who choose it; for those who may opt for alternate programs such as that being considered by several state conventions (including our own), be just as faithful in giving your support to our world missions program.

Your new Director of Stewardship for the Association will be Arthur Kirk, pastor of the Green Hill Baptist Church. As you have given me your generous cooperation during these years I have served, give the same and increased measure of cooperation to him.

Thank you so much.

Respectfully Submitted,
Charles W. Nanney
